On June 17, 2016, Chuy's Holdings, Inc. (the "Company") announced that Doug Schmick, a member of the board of directors, passed away. The Company is deeply saddened by Mr. Schmick's passing and extends its heartfelt condolences to his family. Mr. Schmick served as a director of the Company since April 2013. Mr. Schmick was the chairperson of the compensation committee and also served as a member of the nominating and corporate governance committee.

On June 17, 2016, the Company notified Nasdaq that, as a result of Mr. Schmick's death, the Company was no longer in compliance with Section 5605(b)(1) of the Nasdaq Listing Rules, which requires each Nasdaq listed company to have a majority of independent directors. On June 20, 2016, the Company received notice from Nasdaq that the Company was no longer in compliance with the requirements of Section 5605(b)(1) of the Nasdaq Listing Rules. Section 5605(b)(1)(A) of the Nasdaq Listing Rules provide the Company a cure period of 180 days from the date of Mr. Schmick's death on June 14, 2016 to regain compliance. The board of directors will use this cure period to conduct a search for a replacement independent member of its board of directors and expects to be in compliance with Section 5605(b)(1) by announcing a new board member prior to the expiration of the cure period.

Certain statements in this Current Report on Form 8-K that are not historical facts, including, without limitation, those relating to our search for a replacement independent board member, are forward-looking statements that involve risks and uncertainties. Such statements are based upon the current beliefs and expectations of the management of the Company. Actual results may vary materially from those contained in forward-looking statements based on a number of factors disclosed from time to time in the Company's filings with the U.S. Securities and Exchange Commission. Investors should take such risks into account when making investment decisions. Stockholders and other readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made.
