Each record holder of common stock on that date is entitled to one vote at the Annual Meeting for each share of common stock held. As of May 30, 2023, there were 18,045,286 shares of common stock outstanding.

You cannot vote your shares unless you are present at the Annual Meeting or you have previously given your proxy. You can vote by proxy in one of three ways:

To be sure your shares are voted in the manner you desire, you should instruct your broker how to vote your shares.

**Proposal 2 –  
Advisory Vote to Approve the Compensation of  
our Named Executive Officers**

Pursuant to Section 14A of the Securities Exchange Act of 1934 (the “Exchange Act”), we are submitting the compensation of our named executive officers as disclosed in this proxy statement to our stockholders for an advisory vote.

As described below under the heading “Executive Compensation,” we seek to provide compensation to each named executive officer that is designed to attract, motivate and retain our executive officers. Our compensation program is designed to reward both individual and company performance, while aligning the financial interests of each named executive officer with the interests of our stockholders. The compensation committee sets compensation for each named executive officer at a level it believes is appropriate considering each named executive officer’s annual review, level of responsibility, awards and compensation paid in the past year and progress toward or attainment of previously set personal and corporate goals and objectives.

The vote on this proposal is not intended to address any specific element of compensation. Rather, the vote relates to the overall compensation of our named executive officers, as described under the heading “Executive Compensation” in this proxy statement. We are asking our stockholders to approve the following advisory resolution at our Annual Meeting:

*“RESOLVED, that the compensation of the Company’s named executive officers, as disclosed pursuant to the rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.”*

The vote is advisory and is not binding on the Company, our board of directors or the compensation committee. However, the compensation committee expects to consider the outcome of this advisory vote in evaluating whether any actions are appropriate with respect to our compensation program for our executive officers. At our 2018 annual meeting of stockholders, a majority of our stockholders voted in favor of holding advisory votes on the compensation of our named executive officers on an annual basis. In light of this vote, our board of directors determined to hold such advisory votes annually. Unless our board of directors determines otherwise, we will continue to hold advisory votes on the compensation of our named executive officers on an annual basis. The next advisory vote following this year’s vote will be held at the 2024 annual meeting of stockholders.

***The board of directors recommends a vote “FOR” the approval of the compensation of our named executive officers.***

**Proposal 3 –  
Approval of the Chuy's Holdings, Inc. 2023 Employee Stock Purchase Plan**

**Overview**

We are asking stockholders to approve the Chuy's Holdings, Inc. 2023 Employee Stock Purchase Plan (the "ESPP"). Our board of directors approved the ESPP, subject to stockholder approval, at the April 27, 2023 meeting of the board. The purpose of the ESPP is to encourage employee stock ownership, thus aligning employee interests with those of our stockholders, and to enhance the ability of the Company to attract, motivate and retain qualified employees. We believe that the ESPP will offer a convenient means for our employees who might not otherwise own our common stock to purchase and hold shares.

A copy of the ESPP is attached hereto as Appendix A. A more complete understanding of the ESPP's terms is available by reading the ESPP in its entirety. We are seeking stockholder approval to qualify the ESPP as an "employee stock purchase plan" under Section 423 of the Code and the related regulations.

**Shares Subject to the ESPP**

The ESPP will cover an aggregate of 500,000 shares of the Company's common stock. To prevent dilution or enlargement of the rights of participants under the ESPP, appropriate adjustments will be made if any change is made to our outstanding common stock by reason of any merger, reorganization, consolidation, recapitalization, dividend or distribution, stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting our common stock or its value.

**ESPP Participants**

Generally, all of our employees will be eligible to participate if they are customarily employed by us, or any participating subsidiary, for at least 20 hours per week. However, the plan administrator has certain discretion to vary the eligibility requirements. Specifically, the plan administrator may, prior to an enrollment date for all options granted on such enrollment date in an offering, determine that any of the following is or is not eligible to participate in such offering period: an employee who (i) has not completed at least two years of service (or a lesser period of time determined by the plan administrator) since his or her last hire date, (ii) customarily works not more than 20 hours per week (or a lesser period of time determined by the plan administrator), (iii) customarily works not more than five months per calendar year (or a lesser period of time determined by the plan administrator), (iv) is a highly compensated employee within the meaning of Section 414(q) of the Code or (v) is a highly compensated employee within the meaning of Section 414(q) of the Code with compensation above a certain level or is an officer or subject to disclosure requirements under Section 16(a) of the Exchange Act. It is expected that approximately 2,000 employees will be eligible to participate in the ESPP.

However, an employee may not be granted rights to purchase shares of our common stock under the ESPP if such employee immediately after the grant would own capital stock possessing 5% or more of the total combined voting power or value of all classes of our capital stock; or holds rights to purchase shares of our common stock under all of our employee stock purchase plans that accrue at a rate that exceeds \$25,000 worth of shares of our common stock for each calendar year.

**Administration**

The ESPP will be administered by the board or any committee designated by the board. The plan administrator has broad power to make determinations under the ESPP, to interpret the terms of the ESPP and to establish rules and regulations for its administration. The plan administrator determines whether offers will be made and the beginning and ending dates of the related purchase periods. The plan administrator will have full and exclusive discretionary authority to construe, interpret and apply the terms of the ESPP, delegate ministerial duties to any of our employees, supply omissions or correct defects in the ESPP, designate separate offerings under the ESPP, designate our subsidiaries and affiliates as participating in the ESPP, determine eligibility, adjudicate all disputed claims filed

under the ESPP and establish procedures that it deems necessary for the administration of the ESPP. The plan administrator's findings, decisions and determinations are final and binding on all participants to the full extent permitted by law.

#### **Purchases Under the ESPP**

The plan administrator will determine the length of each offering period. An offering period may be not less than one month nor more than 27 months. We anticipate initiating the ESPP with 12-month offering periods, with each offering period having four three-month purchase periods. The plan administrator determines the purchase price at which shares may be purchased by participants, which will not be less than the lesser of 85% of the fair market value per share of our common stock on the first day of the purchase period or 85% of the fair market value per share on the last day of the purchase period. The plan administrator will determine whether the participants will be subject to any minimum holding period for the shares of common stock purchased under the ESPP.

Prior to the first day of each offering period, each participant will make an election to participate during the offering period. At the end of each purchase period, the participant will receive a number of shares, determined on the last day of the purchase period, equal to the payroll deductions credited during the purchase period divided by the applicable purchase price, except that no fractional shares may be purchased under the ESPP. We intend to initially set the purchase price at a 10% discount from the lesser of the closing price on the first day of the offering period and the closing price on the purchase date. A participant may not purchase shares with a fair market value greater than \$25,000 under the ESPP in any calendar year. The plan administrator may, however, modify at its discretion the discount, purchase period, purchase date and other aspects of the ESPP design within the ESPP parameters from time to time.

Participants may purchase shares only by submitting an election form during the election period established by the plan administrator prior to the beginning of each offering period, stating the participant's election to have after-tax payroll deductions made for the purpose of participating in the ESPP. After initial enrollment in the ESPP, payroll deductions will continue from offering period to offering period unless the participant makes another election to terminate his or her payroll deductions, terminates his or her employment with the Company or becomes ineligible to participate in the ESPP. The amounts deducted will be credited to the participant's account under the ESPP until the purchase date, but we will not pay any interest on the deducted amounts.

Participants may end their participation at any time during an offering period in accordance with any applicable insider trading policies by submitting to the Company's stock administration office a written notice of withdrawal in the form determined by the plan administrator or by following an electronic or other withdrawal procedure determined by the plan administrator. In such case, participants will be paid their accrued contributions that have not yet been used to purchase shares of our common stock. Additionally, participation ends automatically upon termination of employment with us. If sufficient shares are not available in any purchase period under the ESPP, the available shares will be allocated pro rata among the participants in that purchase period in the same proportion that their base compensation bears to the total of the base compensations of all participants for that purchase period. Any amounts not applied to the purchase of common stock will be refunded to the participants after the end of the purchase period without interest.

#### **Restriction on Transfer**

The right to acquire shares under the ESPP is not transferable.

#### **Change in Control**

If there is a change in control of the Company, each right to purchase shares under the ESPP will be assumed or an equivalent right to purchase shares will be substituted by the successor corporation or a parent or subsidiary of such corporation. If the successor corporation fails to assume or substitute for the ESPP purchase rights, the plan administrator will shorten the offering period covered by such ESPP purchase right by setting a new exercise date on which such offering period will end. The new exercise date will occur before the change in control. The plan

administrator will notify each participant in writing or electronically prior to the new exercise date, that the exercise date for the participant's purchase rights has been changed to the new exercise date and the participant's purchase rights will be exercised automatically on the new exercise date, unless prior to such date the participant has withdrawn from the offering period.

#### **Amendment and Termination of the ESPP**

The plan administrator has the authority to amend, suspend or terminate the ESPP unless the amendment requires stockholder approval pursuant to Section 423 of the Code, other applicable laws or stock exchange rules. The ESPP shall continue in effect for 10 years after the date of stockholder approval.

#### **Application of Funds**

We may use the proceeds from the sale of our common stock pursuant to the ESPP for any corporate purpose.

#### **Material U.S. Federal Income Tax Consequences**

The following discussion of certain relevant United States federal income tax consequences applicable to the purchase of shares under the ESPP is only a summary of certain of the United States federal income tax consequences applicable to United States residents under the ESPP, and reference is made to the Code for a complete statement of all relevant federal tax provisions. No consideration has been given to the effects of foreign, state, local and other laws (tax or other) on the ESPP or on a participant, which laws will vary depending upon the particular jurisdiction or jurisdictions involved. In particular, participants who are stationed outside the United States may be subject to foreign taxes as a result of the ESPP.

No taxable income will be recognized by a participant, and no deductions will be allowable to the Company upon either the grant or the exercise of rights to purchase shares. A participant only will recognize income when the shares acquired under the ESPP are sold or otherwise disposed of.

The tax due upon sale or other disposition of the acquired shares depends on the length of time that the participant holds the shares.

If the participant sells or otherwise disposes of the purchased shares within two years after the start date of the offering period pursuant to which the shares were acquired or within one year after the actual purchase date of those shares, the participant generally will recognize ordinary income in the year of sale or disposition equal to the amount by which the fair market value of the shares on the purchase date exceeded the purchase price paid for those shares. The Company will be entitled to a corresponding income tax deduction for the amount of income recognized for the taxable year in which such disposition occurs. The amount of this ordinary income will be added to the participant's basis in the shares, and any additional gain or loss recognized upon the sale or disposition will be a capital gain or loss.

If the participant sells or disposes of the purchased shares more than two years after the start date of the offering period pursuant to which the shares were acquired and more than one year after the actual purchase date of those shares, then the participant generally will recognize ordinary income in the year of sale or disposition equal to the lesser of (i) the amount by which the fair market value of the shares on the sale or disposition date exceeded the purchase price paid for those shares, or (ii) 15% (or such lesser discount in price) of the fair market value of the shares on the start date of that offering period. Any additional gain upon the disposition will be taxed as a long-term capital gain. Alternatively, if the fair market value of the shares on the date of the sale or disposition is less than the purchase price, there will be no ordinary income and any loss recognized will be a long-term capital loss. The Company will not be entitled to an income tax deduction with respect to such disposition.

The tax consequences to a participant may vary depending upon the participant's individual situation. In addition, various state laws may provide for tax consequences that vary significantly from those described above.

**New Plan Benefits**

Participation in the ESPP is entirely within the discretion of the eligible employees. Because we cannot presently determine the participation levels by employee, the rate of contributions by employees and the eventual purchase price under the ESPP, it is not possible to determine the value of benefits which may be obtained by executive officers and other employees under the ESPP. Non-employee directors are not eligible to participate in the ESPP.

#### **Proposal 4 –**

#### **Approval of an Amendment to the Company's Certificate of Incorporation to Eliminate Personal Liability of Officers for Monetary Damages for Breach of Fiduciary Duty as an Officer**

We are asking stockholders to approve an amendment to our Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”), which currently limits the monetary liability of directors in certain circumstances pursuant to and consistent with Section 102(b)(7) of the General Corporation Law of the State of Delaware (“DGCL”). Effective August 1, 2022, Section 102(b)(7) of the DGCL was amended to authorize exculpation of specified officers of Delaware corporations. Specifically, the amendments permit Delaware corporations to include a provision in their certificates of incorporation to exculpate certain officers, in addition to their directors, for personal liability for breach of the duty of care in certain actions. The board is proposing to amend the Company’s Certificate of Incorporation to include a provision that extends exculpation to certain officers of the Company in specific circumstances, to the extent permitted by Delaware law (the “Exculpation Amendment”).

As amended, Section 102(b)(7) of the DGCL only permits exculpation for direct claims brought by stockholders for breach of an officer’s fiduciary duty of care, including class actions, and accordingly would not eliminate officers’ monetary liability for breach of fiduciary duty claims brought by the Company itself or for derivative claims brought by stockholders in the name of the Company. Furthermore, consistent with the protections currently afforded to our directors under Article VIII of our Certificate of Incorporation, the Exculpation Amendment would not limit the liability of officers for any breach of the duty of loyalty to the Company or our stockholders, any acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law, and any transaction from which the officer derived an improper personal benefit.

The Exculpation Amendment will not be retroactive to any act or omission occurring prior to its effective date. Further, the exculpation would only apply to certain officers, namely a person who (during the course of conduct alleged to be wrongful) (i) is or was president, chief executive officer, chief operating officer, chief financial officer, chief legal officer, controller, treasurer or chief accounting officer; (ii) is or was identified in the Company’s public filings with the SEC as one of the most highly compensated executive officers of the Company; or (iii) has, by written agreement with the Company, consented to be identified as an officer for purposes of accepting service of process.

As part of the board’s ongoing evaluation of the Company’s corporate governance practices, the board considered the benefits and detriments of eliminating the personal liability of its officers under certain circumstances.

We believe adopting the Exculpation Amendment would enable the Company’s officers to exercise their business judgment in furtherance of our stockholders’ interests without the potential distraction of risking personal liability. Further, enhancing the Company’s ability to retain and attract experienced officers is in the Company’s best interests and the Company should seek to assure such persons that exculpation under certain circumstances is available. We believe that failing to adopt the Exculpation Amendment could impact the Company’s recruitment and retention of exceptional officer candidates who conclude that the potential exposure to liabilities, costs of defense, and other risks of proceedings exceeds the benefits of serving as an officer of the Company.

Prior to the amendment of Section 102(b)(7) of the DGCL, Delaware law permitted Delaware corporations to exculpate directors from personal liability for monetary damages associated with breaches of the duty of care, but that protection did not extend to a Delaware corporation’s officers. Consequently, stockholder plaintiffs have employed the tactic of bringing certain claims that would otherwise be exculpated if brought against directors against officers to avoid dismissal of such claims. The amendment to Section 102(b)(7) of the DGCL addressed this inconsistent treatment between officers and directors and the rising litigation and insurance costs for stockholders. Accordingly, the Exculpation Amendment will generally align the protections available to directors with those available to officers. Further, the Exculpation Amendment will not negatively impact stockholder rights, considering the narrow class and type of claims for which officers’ liability would be exculpated. In addition, the

Company is not proposing the Exculpation Amendment in anticipation of any specific litigation confronting the Company; the Exculpation Amendment is being proposed on a prospective basis to help mitigate potential future harm to the Company and its stockholders.

Based on the benefits the board believes would accrue to the Company and its stockholders in the form of an enhanced ability to attract and retain talented officers and addressing rising litigation and insurance costs for stockholders, the board recommends that our stockholders approve the Exculpation Amendment as described herein.

The discussion above is qualified in its entirety by reference to the full text of the proposed Exculpation Amendment, which is attached hereto as Appendix B. If the stockholders approve the Exculpation Amendment at the Annual Meeting, the Company will file a Certificate of Amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware that includes the Exculpation Amendment.

***The board of directors recommends a vote “FOR” the approval of an amendment to the Company’s Certificate of Incorporation to eliminate personal liability of officers for monetary damages for breach of fiduciary duty as an officer.***

**Proposal 5 –  
Approval of an Amendment to the Company's Bylaws to Add an Exclusive Forum Provision**

Our board has approved and recommends that our stockholders approve an amendment to our Bylaws (the “Exclusive Forum Amendment”) to add an exclusive forum provision which would specify that the federal district courts of the United States of America will be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933 (the “Federal Forum Provision”) and a state court located within the State of Delaware will be the exclusive forum for Delaware Law Claims, as defined below (the “Delaware Forum Provision” collectively, the “Exclusive Forum Provision”).

Assuming that stockholders approve this proposal, the principal effects will be that unless the Company consents in writing to the selection of an alternative forum:

- the federal district courts of the United States of America will be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, subject to and contingent upon a final adjudication in the State of Delaware of the enforceability of such exclusive forum provision; and
- the Court of Chancery of the State of Delaware (or, if and only if the Court of Chancery of the State of Delaware lacks subject matter jurisdiction, any state court located within the State of Delaware or, if and only if all such state courts lack subject matter jurisdiction, the federal district court for the District of Delaware) shall be the sole and exclusive forum for the following types of actions or proceedings under Delaware statutory or common law: (i) any derivative action or proceeding brought on behalf of the Company; (ii) any action asserting a breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company’s stockholders; (iii) any action asserting a claim against the Company or any director or officer or other employee of the Company arising pursuant to any provision of the DGCL, the Company’s Amended and Restated Certificate of Incorporation or the Company’s Bylaws; (iv) any action or proceeding to interpret, apply, enforce or determine the validity of the Company’s Amended and Restated Certificate of Incorporation or the Company’s Bylaws (including any right, obligation, or remedy thereunder); (v) any action or proceeding as to which the DGCL confers jurisdiction to the Court of Chancery of the State of Delaware; or (vi) any action asserting a claim against the Company or any director or officer or other employee of the Company that is governed by the internal affairs doctrine, in all cases to the fullest extent permitted by law and subject to the court’s having personal jurisdiction over the indispensable parties named as defendants (clauses (i) – (vi), the “Delaware Law Claims”).

The Exclusive Forum Provision will not apply to suits brought to enforce a duty or liability created by the Exchange Act or any other claim for which the federal courts have exclusive jurisdiction.

We believe that the Federal Forum Provision is in the best interests of the Company. Our board considered a number of factors prior to recommending the Federal Forum Provision as a prudent and proactive means for managing this type of potential litigation and to promote efficient and consistent resolutions in the event this type of litigation arises, including:

- (i) the potential for costly, duplicative litigation involving multiple lawsuits in multiple jurisdictions regarding essentially the same claims under the Securities Act of 1933, which could result in increased litigation expenses and greater uncertainty regarding outcomes that may be inconsistent when two or more similar cases proceed in different courts;
- (ii) the experience and expertise of the U.S. federal district courts in addressing issues and claims under the Securities Act of 1933 and federal case law regarding the same;

- (iii) the risk that a state court may not interpret or apply federal law, specifically the Securities Act of 1933, in the same manner as the U.S. federal district courts would be expected to do, or may handle procedural aspects differently than the U.S. federal district courts would be expected to do;
- (iv) the benefits of adopting the Federal Forum Provision when the Company is not facing any actual or threatened shareholder lawsuits under the Securities Act of 1933; and
- (v) the views of proxy advisors and certain institutional investors with respect to federal forum provisions.

Moreover, the Federal Forum Provision would not specify any particular U.S. federal district court as the exclusive forum for claims under the Securities Act of 1933, so a plaintiff could select, on the basis of convenience or for other reasons, the U.S. federal district courts in any state as the forum for any such claim. The Federal Forum Provision gives us the flexibility to consent to an alternative forum when we deem appropriate. In addition, we are not proposing the Exclusive Forum Provision in anticipation of any specific litigation confronting the Company; the Exclusive Forum Provision is being proposed on a prospective basis to help mitigate potential future harm to the Company and its shareholders.

We also believe that the Delaware Forum Provision is in the best interests of the Company and will help maximize stockholder value by allowing us to be able to draw upon Delaware's well-established principles of corporate governance in making business and legal decisions. The Delaware legislature is sensitive to issues of corporate law and responsive to developments in modern corporate law. Delaware's specialized Chancery Court deals almost exclusively with corporate law and has streamlined procedures and processes to provide relatively quick decisions. In addition, the Delaware Supreme Court, the only Delaware appeals court, is highly regarded. These courts have considerable expertise in dealing with corporate issues and have developed a substantial and influential body of corporate case law. Further, we believe that stockholders and the Company will benefit from the responsiveness of the Delaware courts. Therefore, the prominence, predictability and proactivity of the Delaware courts provides a reliable forum where our governance decisions can be based and litigated.

Although we could adopt the Exclusive Forum Provision without obtaining stockholder approval, we determined that it would be in the best interests of the Company and our stockholders, and consistent with our commitment to strong corporate governance practices, for our stockholders to have the opportunity to consider and act upon the Exclusive Forum Provision.

The discussion above is qualified in its entirety by reference to the full text of the Exclusive Forum Amendment to the Bylaws, which is attached hereto as Appendix C. If the stockholders approve the Exclusive Forum Amendment at the Annual Meeting, the Bylaws will be amended to add the Exclusive Forum Provision.

***The board of directors recommends a vote "FOR" the approval of an amendment to the Company's Bylaws to add an exclusive forum provision.***

**Proposal 6 -  
Ratification of the Appointment of  
RSM US LLP as the Company's Independent  
Registered Public Accounting Firm for 2023**

The audit committee has appointed RSM US LLP as the Company's independent registered public accounting firm for 2023. The board of directors is asking stockholders to ratify this appointment. Securities and Exchange Commission ("SEC") regulations and the Nasdaq listing requirements require the Company's independent registered public accounting firm to be engaged, retained and supervised by the audit committee. However, the board of directors considers the selection of an independent registered public accounting firm to be an important matter to stockholders. Accordingly, the board of directors considers a proposal for stockholders to ratify this appointment to be an opportunity for stockholders to provide input to the audit committee and the board of directors on a key corporate governance issue.

Representatives of RSM US LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement. They will also be available to respond to appropriate questions. For additional information regarding our independent registered public accounting firm, see "Independent Public Accountants."

***The board of directors recommends a vote "FOR" the ratification of RSM US LLP as the Company's independent registered public accounting firm for 2023.***

### Director Independence

Our board of directors will review at least annually the independence of each director. During these reviews, the board will consider transactions and relationships between each director (and his or her immediate family and affiliates) and our Company and its management to determine whether any such transactions or relationships are inconsistent with a determination that the director is independent. This review will be based primarily on responses of the directors to questions in a directors' and officers' questionnaire regarding employment, business, family, compensation and other relationships with the Company and our management. Our board of directors has determined that each of Jody Bilney, Randall DeWitt, Saed Mohseni and Ira Zecher are independent within the meaning of the Nasdaq Marketplace Rules. As required by the Nasdaq Global Select Market, a majority of our directors are independent and our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

### Corporate Governance

We believe that good corporate governance is important to ensure that, as a public company, we will be managed for the long-term benefit of our stockholders. We and our board of directors have reviewed the corporate governance policies and practices of other public companies, as well as those suggested by various authorities in corporate governance. We have also considered the provisions of the Sarbanes-Oxley Act and the rules of the SEC and the Nasdaq Global Select Market.

Based on this review, we have established and adopted charters for the audit committee, compensation committee and nominating and corporate governance committee, and have adopted corporate governance guidelines, a code of business conduct and ethics applicable to all of our directors, officers and employees and an insider trading policy.

Our committee charters, code of business conduct and ethics and corporate governance guidelines are available on our website at [www.chuys.com](http://www.chuys.com) in the Investors section. Copies of these documents are also available upon written request to our Corporate Secretary. We will post information regarding any amendment to, or waiver from, our code of business conduct and ethics on our website in the Investors section.

Furthermore, our insider trading policy prohibits our directors and certain employees, including all of our executive officers, from engaging in hedging transactions with respect to our securities, including entering into options, warrants, puts, calls or similar instruments or selling our securities short, and pledging shares of our securities in margin accounts.

The board of directors periodically reviews its corporate governance policies and practices. Based on these reviews, the board of directors may adopt changes to policies and practices that are in our best interests and as appropriate to comply with any new SEC or Nasdaq Marketplace Rules.

### **Board Leadership Structure and Board's Role in Risk Oversight**

Steve Hislop serves as chairman of our board of directors, President and Chief Executive Officer. We believe that the Company and its shareholders are best served by having Mr. Hislop serve in both positions because of his knowledge of the Company's operations, our unique culture and industry in which we are competing. This leadership structure strengthens the communication link between the operating organization and the board. It also fosters a collaborative environment that supports effective decision-making around key topics such as strategic objectives, long-term planning and enterprise risk management.

Since Mr. Hislop serves as chairman of the board in addition to his roles as President and Chief Executive Officer of the Company, the board determined it was appropriate to appoint a lead independent director, who would be elected annually. Mr. Mohseni was elected to serve as our lead independent director.

The role of our lead independent director is to, among other things, preside at executive sessions of independent directors, serve as a liaison between the independent directors and the chairman, approve board meeting agendas and the information sent to the board, approve meeting schedules to assure that there is sufficient time for discussion of all agenda items, call meetings of independent directors and, if requested by major shareholders, ensure that he or she is available for consultation and direct communication.

Risk is inherent with every business and we face a number of risks as outlined in Item 1A. "Risk Factors" included in our Annual Report. Management is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through our audit committee, is responsible for overseeing our management and operations, including overseeing its risk assessment and risk management functions. Our board of directors has delegated responsibility for reviewing our policies with respect to risk assessment and risk management to our audit committee through its charter. Our board of directors has determined that this oversight responsibility can be most efficiently performed by our audit committee as part of its overall responsibility for providing independent, objective oversight with respect to our accounting and financial reporting functions, internal and external audit functions and systems of internal controls over financial reporting and legal, ethical and regulatory compliance. Our board of directors has also delegated the oversight of risks related to environmental, social and governance matters to our nominating and corporate governance committee. Our audit and nominating and corporate governance committees will regularly report to our board of directors with respect to their oversight of these areas.

### **Board Meetings**

The board of directors held four meetings during 2022. Each director serving on the board of directors in 2022 attended at least 75% of the total number of meetings of the board of directors and committees on which they served. Under our corporate governance guidelines, each director is expected to devote the time necessary to appropriately discharge his or her responsibilities and to rigorously prepare for, attend and participate in all board of directors meetings and meetings of committees on which he or she serves.

### **Annual Meetings of Stockholders**

The Company's directors are encouraged to attend our Annual Meeting of stockholders, but we do not currently have a policy relating to directors' attendance at these meetings. Each director serving on the board of directors in 2022 attended our 2022 Annual Meeting of Stockholders.

### **Board Committees**

Our board of directors has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. The composition and responsibilities of each committee are described below. Members will serve on these committees until their resignation or until otherwise determined by our board of directors.

### **Audit Committee**

Our audit committee currently consists of Ira Zecher, Saed Mohseni and Randall DeWitt, with Ira Zecher serving as chair of the committee. All of our audit committee members are independent as defined by Section 10A(m)(3) of the Exchange Act and the Nasdaq Marketplace Rules. Our board of directors has determined that Ira Zecher is an audit committee financial expert.

The audit committee has the authority to engage independent counsel and other advisors as the committee deems necessary to carry out its duties.

### **Compensation Committee**

Our compensation committee is a standing committee of our board of directors. The compensation committee met four times in 2022. Our board of directors has adopted a written charter under which the compensation committee operates. A copy of the charter, which satisfies the applicable standards of the SEC and the Nasdaq Global Select Market, is available on our website at [www.chuys.com](http://www.chuys.com). The compensation committee's functions include:

- reviewing and recommending to our board of directors the salaries and benefits for our executive officers;
- recommending overall employee compensation policies; and
- administering our equity compensation plans.

Our compensation committee currently consists of Saed Mohseni, Randall DeWitt and Ira Zecher, with Saed Mohseni serving as chair of the committee. All members of our compensation committee are independent as defined by Section 10(c) of the Exchange Act, Rule 10C of the Exchange Act Rules and the Nasdaq Marketplace Rules.

The compensation committee has the sole authority to retain and terminate compensation consultants to assist in the evaluation of director or executive officer compensation and the sole authority to approve the fees and other retention terms of such compensation consultants. The compensation committee may also retain independent counsel and other independent advisors to assist it in carrying out its responsibilities. The compensation committee may also, in its discretion, delegate specific duties and responsibilities to a subcommittee or an individual committee member, to the extent permitted by applicable law.

### **Nominating and Corporate Governance Committee**

Our nominating and corporate governance committee is a standing committee of our board of directors. The nominating and corporate governance committee met four times in 2022. Our board of directors has adopted a written charter under which the nominating and corporate governance committee operates. A copy of the charter,

which satisfies the applicable standards of the SEC and the Nasdaq Global Select Market, is available on our website at [www.chuys.com](http://www.chuys.com). The functions of our nominating and corporate governance committee include:

- identifying individuals qualified to serve as members of our board of directors;
- recommending to our board nominees for our annual meetings of stockholders;
- evaluating our board's performance;
- developing and recommending to our board corporate governance guidelines;
- providing oversight with respect to corporate governance;
- overseeing succession planning; and
- overseeing the Company's strategy, initiatives, risks, opportunities and reporting on material environmental, social and governance matters.

Our nominating and corporate governance committee consists of Jody Bilney, Randall DeWitt and Ira Zecher, with Jody Bilney serving as chair of the committee. All members of our nominating and corporate governance committee are independent as defined by the Nasdaq Marketplace rules.

The nominating and corporate governance committee has the sole authority to retain and terminate any search firm to assist in the identification of director candidates and the sole authority to set the fees and other retention terms of such search firms. The committee may also retain independent counsel and other independent advisors to assist it in carrying out its responsibilities.

#### **Other Committees**

Our board of directors may establish other committees as it deems necessary or appropriate from time to time.

#### **Compensation Committee Interlocks and Insider Participation**

During fiscal year 2022, Ms. Johnson, Mr. Mohseni and Mr. DeWitt served as members of the compensation committee. No member of the compensation committee (1) was, during fiscal year 2022, or had previously been, an officer or employee of the Company or (2) had any material interest in a transaction with the Company or a business relationship with, or any indebtedness to, the Company. None of our executive officers have served as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or compensation committee.

#### **Code of Business Conduct and Ethics**

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer, and persons performing similar functions ("covered persons"). A current copy of the code is posted on our website, which is located at [www.chuys.com](http://www.chuys.com). Any amendments to or waivers from a provision of our code of conduct and ethics that applies to our covered persons and that relates to the elements of Item 406(b) of Regulation S-K will be disclosed on our website promptly following the date of such amendment or waiver.

#### **Qualifications for Director Nominees**

The nominating and corporate governance committee is responsible for reviewing with the board of directors, at least annually, the appropriate skills and experience required for members of the board of directors. This assessment includes factors such as judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other board members, and the extent to which the candidate would be a desirable addition to the board of directors and any committees of the board of directors. The nominating and corporate governance committee will identify nominees based upon recommendations by committee members, other board members, members of management, search firms or, as

discussed below, by stockholders. Upon identifying a potential nominee, members of the nominating and corporate governance committee and other members of the board of directors will interview the candidate, and based upon that interview, make a recommendation to our board of directors.

**Board Diversity**

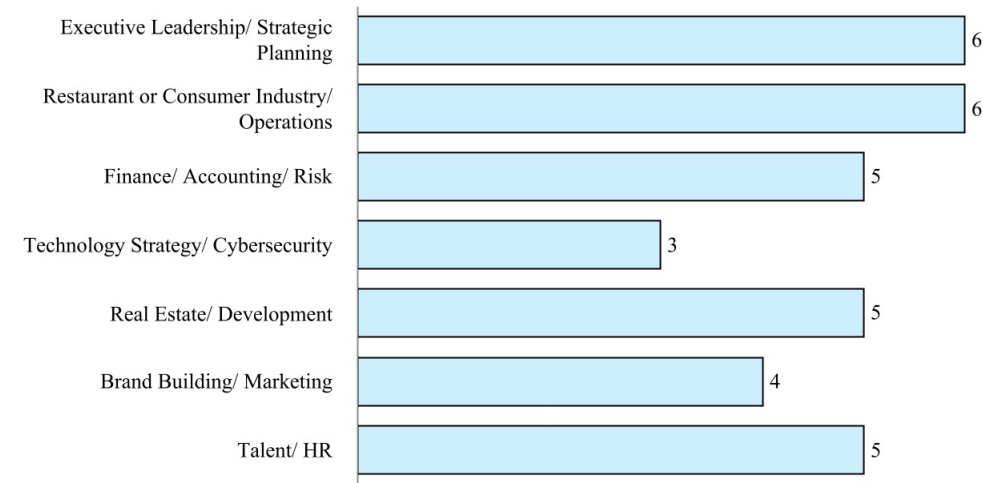

The nominating and corporate governance committee considers diversity as part of its overall selection strategy. The nominating and corporate governance committee considers diversity in its broadest sense, including diversity in professional and life experiences, education, skills, perspectives and leadership, as well as other individual qualities and attributes that contribute to board heterogeneity, such as race, ethnicity, sexual orientation, gender and national origin. Importantly, the nominating and corporate governance committee focuses on how the experiences and skill sets of each director nominee complements those of fellow directors and director nominees to create a balanced board with diverse viewpoints and deep expertise. The Company believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Company's goal of creating a board that best serves our needs and those of our stockholders. Our board is committed to diversity and as such includes directors with gender and ethnic diversity and a diverse set of backgrounds, experience, and skills.

The chart below illustrates the composition of our Board by gender identity and demographic background:

The committee will review and evaluate any director nominations submitted by stockholders, including reviewing the qualifications of, and making recommendations to the board of directors regarding, director nominations submitted by stockholders. See “Communications with the Board of Directors” below for additional information on how to submit a director nomination to the board of directors.

**Communications with the Board of Directors**

Any stockholder or other interested party who wishes to communicate directly with the board of directors or any of its members may do so by writing to: Corporate Secretary, Chuy’s Holdings, Inc., 1623 Toomey Road, Austin, TX, 78704. The mailing envelope should clearly indicate whether the communication is intended for the board of directors as a group, the non-employee directors or a specific director.

## Executive Compensation

### Compensation Discussion and Analysis

This compensation discussion and analysis provides an overview of our executive compensation program, together with a description of the material factors underlying the decisions that resulted in the compensation provided to our Chief Executive Officer and Chief Financial Officer and our two other highest paid executive officers during fiscal year 2022 (collectively, the “named executive officers”). During fiscal year 2022, there were only four executive officers of the Company. This compensation discussion and analysis contains statements regarding our performance targets and goals. These targets and goals are disclosed in the limited context of our compensation program and should not be understood to be statements of management’s expectations or estimates of financial results or other guidance. We specifically caution investors not to apply these statements to other contexts.

### Objective of Compensation Policy

The objective of our compensation policy is to provide a total compensation package to each named executive officer that will enable us to:

- attract, motivate and retain outstanding individuals;
- reward named executive officers for performance; and
- align the financial interests of each named executive officer with the interests of our stockholders to encourage each named executive officer to contribute to our long-term performance and success.

Overall, our compensation program is designed to reward both individual and company performance. A significant portion of each of our named executive officers’ annual compensation is comprised of performance-based compensation. We also intend to continue to use long-term incentive awards to reward long-term company and individual performance and to promote retention through delayed vesting of awards.

### Administration

Our compensation committee, which is comprised exclusively of independent directors, oversees our executive compensation program and is responsible for approving or recommending to the board the nature and amount of the compensation paid to, and any employment and related agreements entered into with, our named executive officers. The committee also administers our equity compensation plans and awards.

### Process for Setting Total Compensation

At the first meeting of each new fiscal year, our compensation committee sets annual base salaries, determines the payout for the Company's short-term incentive program and the amount of any discretionary bonuses for the prior year, sets performance criteria for our short-term incentive program for the following year and determines the amount of equity based incentive compensation to grant to our named executive officers. In making these compensation decisions, our compensation committee considers the recommendations of our Chief Executive Officer, particularly with respect to salary adjustments, short-term incentive program targets and awards, amount of discretionary bonuses and equity incentive awards of our other named executive officers. Our compensation committee meets with our Chief Executive Officer at least annually to discuss and review his recommendations for compensation of our executive officers, excluding himself. When making individual compensation decisions for our named executive officers, the compensation committee takes many factors into account, including the officer’s experience, responsibilities, management abilities and job performance, our performance as a whole, current market conditions and competitive pay levels for similar positions at comparable companies. These factors are considered by the compensation committee in a subjective manner without any specific formula or weighting.

During its annual review process, our compensation committee has set compensation for each named executive officer at a level it believes is appropriate considering each named executive officer’s annual review, level of

responsibility, the awards and compensation paid to the named executive officer in past years and progress toward or attainment of previously set personal and corporate goals and objectives, including attainment of financial performance goals and such other factors as the compensation committee has deemed appropriate and in our best interests and the best interests of our stockholders. The compensation committee has given different weight at different times to different factors for each named executive officer. Our performance criteria are discussed more fully below under the heading “—Short-Term Incentive Program.” Other than with respect to our short-term incentive program, the compensation committee has not relied on predetermined formulas or a limited set of criteria when it evaluates the performance of our named executive officers.

The charter of the compensation committee authorizes the committee to engage independent consultants at the expense of the Company. The compensation committee retained Mercer as its independent compensation consultant for 2022. Mercer reported directly to the compensation committee and performs no other work for the Company. The compensation committee assessed the independence of Mercer and concluded that its work did not raise any conflict of interest with the Company. Mercer was engaged to:

- Advise the compensation committee on named executive officer and director pay decisions;
- Assist in short-term and long-term incentive plan design;
- Conduct compensation reviews and make recommendations regarding both executive and director pay structures;
- Advise on peer group composition and conduct a review of peer group compensation;
- Provide periodic updates on current trends, technical and regulatory developments and best practices in compensation design; and
- Perform any other tasks which the compensation committee may request from time to time.

In 2022, Mercer compared the base salary, target short-term incentive program payout and target annual cash compensation of our then-current named executive officers against a peer group of ten publicly traded restaurant companies (the “Mercer Report”). The peer group consisted of the following companies:

Red Robin Gourmet Burgers  
Fiesta Restaurant Group  
Cracker Barrel  
Texas Roadhouse

Dave & Buster’s Entertainment  
Ark Restaurants  
Shake Shack

BJ’s Restaurants  
Ruth’s Hospitality Group  
Wingstop

The Committee in conjunction with Mercer selected companies for its peer group based on industry, revenue and market capitalization. Mercer used Company and peer group compensation data from 2020 in its review. The compensation committee used the Mercer Report in (1) assessing the level of base salary and target short-term incentive program payouts to be paid to our then-current named executive officers and (2) approving changes to the compensation levels of our then-current named executive officers. The results of the Mercer Report, which as noted above were based on 2020 compensation data, indicated that the Company’s 2020 compensation for each of our then-current named executive officers was below the market median for base salary and target short-term incentive program payouts.

## **2022 Advisory Vote on Executive Compensation**

At our annual meeting of stockholders in July 2022, approximately 97% of the votes cast in the advisory vote on executive compensation were in support of our executive compensation program. The compensation committee considered the results of this advisory vote and believes the results affirm stockholder approval of the board of directors’ approach to the Company’s executive compensation program. Although the compensation committee did not adopt any changes to our program as a result of this vote, as noted above the compensation committee evaluates our executive compensation program annually.

## Elements of Compensation

Our compensation program for named executive officers consists of the following elements of compensation, each described in greater depth below:

- Base salaries.
- Short-Term Incentive Program.
- Discretionary bonuses.
- Equity-based incentive compensation.
- Perquisites.
- General benefits.
- Employment agreements.

## Clawback Provisions

We currently have employment agreements in place with each of our named executive officers. See “Employment Agreements” for additional information regarding our executive officer’s employment agreements. These employment agreements contain clawback provisions, which provide for the recovery of any incentive-based compensation or other compensation paid to the executive officer as required by law, government regulation or stock exchange listing requirement.

Additionally, our equity award agreements contain clawback provisions, which provide in certain circumstances for the forfeiture of outstanding unvested or unexercised awards and the return of the fair market value of vested or exercised awards.

## Hedging and Pledging Policy

The Company’s insider trading policy prohibits our directors and certain employees, including all of our executive officers, from engaging in hedging transactions with respect to our securities, including entering into options, warrants, puts, calls or similar instruments or selling our securities short, and pledging shares of our securities in margin accounts.

## Base Salary

NAME	2022 SALARY (\$)
Steve Hislop	716,825
Jon Howie	449,946
Michael Hatcher	247,470
John Mountford	285,233

We pay base salaries to attract, recruit and retain qualified employees. Our compensation committee reviews and sets base salaries of our named executive officers annually. These salary levels are and will continue to be set initially based on the named executive officer’s experience and performance with previous employers and negotiations with individual named executive officers. The compensation committee may increase base salaries each year based on its subjective assessment of our company’s and the individual executive officer’s performance and each named executive officer’s experience, length of service and changes in responsibilities. The weight given to such factors by the compensation committee may vary from one named executive officer to another.

## Short-Term Incentive Program

NAME	SHORT-TERM INCENTIVE PROGRAM			
	THRESHOLD AWARD (\$)	TARGET AWARD (\$)	MAXIMUM AWARD (\$)	ACTUAL AWARD (\$)
Steve Hislop	—	358,413	716,825	136,533
Jon Howie	—	224,973	449,946	85,701
Michael Hatcher	—	74,241	148,482	28,281
John Mountford	—	142,617	285,233	54,328

In line with our strategy of rewarding performance, our executive compensation program includes a short-term incentive program that our named executive officers participate in. Awards under our short-term incentive program are made under our Senior Management Incentive Plan. Our compensation committee establishes annual target payouts for each named executive officer during the first quarter of the year based on the Company's target adjusted EBITDA.

The target and maximum award amounts have been set at levels our compensation committee believes will provide a meaningful incentive to achieve company and individual goals and contribute to our financial performance. In 2022, the target and maximum award amounts were set at 50% and 100%, respectively, of annual base salary for our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer and 30% and 60%, respectively, of annual base salary for our other named executive officer. There is no payout if actual Company Adjusted EBITDA is 90% or less of budget Company Adjusted EBITDA. To the extent that actual Company Adjusted EBITDA exceeds 90% of budget Company Adjusted EBITDA, the plan provides that we will make payments based on where performance falls on a linear basis between 90% and 100% of budget Company Adjusted EBITDA and between 100% and 110% of budget Company Adjusted EBITDA. In each circumstance, the compensation committee retains discretion to adjust the amount paid under the plan based on individual and company circumstances. If our budget Company Adjusted EBITDA is achieved, each individual will earn 100% of their target award.

The short-term incentive program payment is determined based primarily on the extent to which we achieve our budget Company Adjusted EBITDA goal. Company Adjusted EBITDA is our earnings before interest, taxes, depreciation and amortization and excludes stock-based compensation, closed restaurant costs and certain non-cash and other adjustments. For each 1.0% that actual Company Adjusted EBITDA is above or below budget Company Adjusted EBITDA, the percentage of the target they receive will increase or decrease by 10%, respectively, of the Company Adjusted EBITDA portion of their target award. For example, if actual Company Adjusted EBITDA is 1% above budget Company Adjusted EBITDA, the named executive officers will receive 1.1 times their target award. The maximum a named executive officer may receive for Company Adjusted EBITDA performance is 2.0 times their target award. We use our Company Adjusted EBITDA, together with financial measures prepared in accordance with GAAP, such as revenue, net income and cash flows from operations, to assess our historical and prospective operating performance and to enhance our understanding of our core operating performance. We also use our Company Adjusted EBITDA internally to evaluate the performance of our personnel and also as a benchmark to evaluate our operating performance or compare our performance to that of our competitors. The use of Company Adjusted EBITDA as a performance measure permits a comparative assessment of our operating performance relative to our performance based on our GAAP results, while isolating the effects of some items that vary from period to period without any correlation to core operating performance or that vary widely among similar companies.

Target, maximum and actual short-term incentive payouts for 2022 for each of the named executive officers are shown in the table above and the actual payouts are shown in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table.

### **Discretionary Bonus**

The compensation committee retains discretion to grant bonus compensation to the named executive officers and other employees of the Company for their contributions to the Company's performance. Historically, each of our named executive officers has received a \$1,000 holiday bonus each December.

In 2022, the Company experienced a dramatic increase in inflation as a result of the volatile economic environment that impacted commodity prices and wages and ultimately the Company's operating expenses. As a result of the volatile economic environment and the economic uncertainty it caused, the compensation committee determined not to revise or otherwise update, the annual Company Adjusted EBITDA target for its short-term incentive program. The compensation committee instead determined to evaluate the Company's performance at fiscal year end based on the initial performance goal it set. Despite the unprecedented inflationary conditions, the Company achieved 93.81% of the short-term incentive target for its fiscal year 2022. In recognition of the Company's outstanding efforts and results, including its preservation of margins and its stock performance relative to its peers, amid the difficult and unanticipated economic conditions, the compensation committee determined to award discretionary bonuses to the named executive officers as set forth in the "Bonus" column of the Summary Compensation Table. The discretionary payments together with the performance-based payouts put the named executive officers at the target performance-based payouts levels. These bonuses are set forth in the "Bonus" column of the Summary Compensation Table.

### **Equity Compensation**

We pay equity-based compensation to our named executive officers because it links our long-term results achieved for our stockholders and the rewards provided to named executive officers, thereby ensuring that such officers have a continuing stake in our long-term success.

Historically, we have granted restricted stock units and stock options to our named executive officers in conjunction with significant transactions and in connection with a named executive officer's initial hire or promotion. Additionally, we have granted restricted stock units and stock options to our named executive officers annually to further align the interests of our executives with those of our stockholders. For information regarding the number and grant date fair value of restricted stock units granted to our named executive officers during fiscal year 2022, see "—Grants of Plan Based Awards" below.

We have provided this equity compensation to reward performance as well as to promote retention through delayed vesting. However, we believe that by weighting total compensation in favor of performance-based compensation, we have appropriately rewarded individual achievement while at the same time providing incentives to promote Company performance and at times have rewarded extraordinary achievements and dedication with discretionary bonuses. The 2020 Omnibus Incentive Plan (the "2020 Plan") provides for the issuance of restricted stock units, stock options, share appreciation rights, restricted shares, performance shares and other share based awards. In the future, we may consider granting other forms of equity to our named executive officers. For additional information regarding our 2020 Plan, see below under the heading "—2020 Omnibus Incentive Plan."

We also make grants of equity awards to our named executive officers and other employees because we believe that we should provide our employees an opportunity to share in our success provided they continue to contribute to our success.

Restricted stock units held by each of the named executive officers (and certain of our other salaried employees) vest ratably over a period of four years, subject to the employee remaining employed through each vesting date.

### **Severance and Change-in-Control Benefits**

We currently have employment agreements with each of our named executive officers that provide termination or severance and change in control benefits. We agreed to pay termination or severance benefits in the event of an executive's termination by us without cause or by the executive for good reason as a retention incentive. We believe

this level of severance benefit provides our executives with the assurance of security if their employment is terminated for reasons beyond their control. Additionally, in the event a named executive officer's employment is terminated due to death, disability or without cause or for good reason on or within 24 months of a change in control, the named executive officer's unvested equity awards will vest immediately. For additional information on the severance and change in control benefits provided under the employment agreements with our executive officers see "—Employment Agreements."

The amount each named executive would be entitled to receive in the event of a termination is reported below under the heading "—Potential Payments upon Termination or Change in Control."

### **Perquisites**

In 2022, the aggregate incremental cost to us of the perquisites received by each of the named executive officers did not exceed \$10,000 and, accordingly, this benefit is not included in the Summary Compensation Table below. We provide the named executive officers with complimentary dining privileges at our restaurants. We view complimentary dining privileges as a meaningful benefit to our named executive officers as it is important for named executive officers to experience our products and services in order to better perform their duties for us.

### **General Benefits**

We provide a limited number of personal benefits to our named executive officers. Our named executive officers participate in our health and benefit plans, and are entitled to vacation and paid time off based on our general vacation policies.

*Retirement Benefits.* We maintain a tax-qualified 401(k) savings plan ("401(k) Plan") and a nonqualified deferred compensation plan. Under the 401(k) Plan, employees are eligible after one year of service and may defer up to the maximum amount allowable by the IRS. The Company also provides a certain group of eligible employees, including our named executive officers, the ability to participate in the Company's nonqualified deferred compensation plan. This plan allows participants to defer up to 80% of their salary and up to 100% of their short-term incentive program payout and discretionary bonuses, on a pre-tax basis. The Company has discretion to make additional matching contributions to both plans. For more information on the nonqualified deferred compensation plan, see "Nonqualified Deferred Compensation" below.

*Medical, Dental, Life Insurance and Disability Coverage.* Active employee benefits such as medical, dental, life insurance and disability coverage are available to all eligible employees, including our named executive officers.

*Moving Costs.* We will reimburse out-of-pocket moving expenses for eligible executive officers in conjunction with their hiring.

*Other Paid Time Off Benefits.* We also provide vacation and other paid holidays to all employees, including the named executive officers, which we believe are appropriate for a company of our size and in our industry.

### **Employment Agreements**

We have entered into employment agreements with each of Messrs. Hislop, Howie, Mountford and Hatcher. The employment agreements do not have a fixed term.

The employment agreements provide that Messrs. Hislop, Howie, Mountford and Hatcher will receive an annual base salary of at least \$649,750, \$400,000, \$207,500 and \$220,000, respectively. Messrs. Hislop, Howie and Mountford are each eligible pursuant to their employment agreements to receive a target annual short-term incentive program payout of 50% of their annual base salary, based upon the achievement of performance objectives determined by our compensation committee with a minimum and maximum payout of 0% and 100% of their annual base salary. Mr. Hatcher is eligible pursuant to his employment agreement to receive a target annual payout of 30% of his annual base salary, based upon the achievement of performance objectives determined by our compensation committee with a minimum and maximum payout of 0% and 60% of his annual base salary. Additionally, Messrs.

Hislop, Howie, Mountford and Hatcher are eligible pursuant to their employment agreements to receive a targeted annual equity award equal to 50% of their base salary, as determined and authorized from time to time by the compensation committee and subject to the terms and conditions of the Company's equity incentive plan and any award agreements governing the grant of equity awards. The employment agreements also provide that each executive will be eligible to participate in our employee plans, including any health, disability or group life insurance plans or any retirement or non-qualified deferred compensation plans that are generally made available to our other senior executives and will be entitled to four weeks paid vacation per calendar year to be taken in accordance with our vacation policy.

Each employment agreement provides for severance benefits if the executive's employment is terminated without cause (as defined in the employment agreements) or by the executive for good reason (as defined in the employment agreements), subject to the executive's compliance with certain assignment of invention, confidentiality, non-compete, non-solicitation and non-disparagement obligations and the execution of a general release of claims. In the event Mr. Hislop's employment is terminated without cause or by him for good reason, he is entitled to continue to receive his base salary for two years following the termination of his employment and an amount equal to his target short-term incentive program payout for the year his employment was terminated. In the event the employment of Messrs. Howie, Mountford and Hatcher is terminated without cause or by the executive for good reason, each is entitled to continue to receive one year's base salary following his termination and an amount equal to his target short-term incentive program payout for the year his employment was terminated. Additionally, in the event the employment of Messrs. Hislop, Howie, Mountford and Hatcher is terminated without cause or by the executive for good reason, each is entitled to continue to receive the amount that we were subsidizing for the executive and his or her dependents' medical and dental insurance coverage during the same period the executive is entitled to continue to receive his base salary after his termination.

The employment agreements also provide that if (1) the employment of Messrs. Hislop, Howie, Mountford or Hatcher is terminated on account of the executive's death or disability (as defined in the employment agreements) or (2) the executive's employment is terminated without cause or by the executive for good reason, in each case, on or during the 24 month period after a change in control (as defined in the 2020 Plan), subject to the executive's compliance with certain assignment of invention, confidentiality, non-compete, non-solicitation and non-disparagement obligations and the execution of a general release of claims, then any unvested or unexercisable portion of any award granted to the executive under the Company's equity incentive plans shall become fully vested or exercisable.

The amount each named executive would be entitled to receive in the event of a termination is reported below under the heading "—Potential Payments upon Termination or Change in Control."

#### **Tax and Accounting Considerations**

Section 162(m) of the Internal Revenue Code (the "Code") generally limits the tax deductibility of compensation we pay to our executive officers to \$1.0 million in the year the compensation becomes taxable to the executive officers. Although our compensation committee considers deductibility in setting the compensation of our executive officers, our compensation committee maintains flexibility in how we compensate our executive officers so as to meet a broader set of corporate and strategic goals and the needs of stockholders, and as such, we may be limited in our ability to deduct the full amount of such compensation.

Accounting rules require us to expense the cost of our stock option and restricted stock unit awards. Because of option and restricted stock unit expensing and the impact of dilution on our stockholders, we pay close attention to, among other factors, the type of equity awards we grant and the number and value of the shares underlying such awards.

### 2020 Omnibus Incentive Plan

The 2020 Plan was approved by the Company's stockholders at our 2020 annual meeting of stockholders on July 30, 2020. As of December 25, 2022, we had a total of 876,364 shares of common stock reserved and available for future issuance under the 2020 Plan.

The principal purposes of the 2020 Plan are to: (a) encourage profitability and growth of the Company through short-term and long-term incentives that are consistent with the Company's objectives; (b) to give participants an incentive for excellence in individual performance; (c) to promote teamwork among participants; and (d) to give the Company a significant advantage in attracting and retaining key employees, directors, and consultants. To accomplish such purposes, the 2020 Plan provides that the Company may grant options, stock appreciation rights, restricted shares, restricted stock units, performance-based awards (including performance-based restricted shares and restricted stock units), other share-based awards, other cash-based awards, or any combination of the foregoing. When considering new grants of share-based or option-based awards, we intend to take into account previous grants of such awards.

The 2020 Plan is administered by our compensation committee. The compensation committee has the power to determine the terms of the awards granted under the 2020 Plan, including the exercise price and the exercisability of the awards. The compensation committee also has full power to determine the persons to whom and the time or times at which awards will be made and to make all other determinations and take all other actions advisable for the administration of the 2020 Plan.

Each grant of an award under the 2020 Plan will be evidenced by an award agreement or agreements, which will contain such terms and provisions as the compensation committee may determine, consistent with the 2020 Plan. Those terms and provisions include the number of our shares of our common stock subject to each award, vesting terms and other provisions.

## 2012 Omnibus Equity Incentive Plan

The 2020 Plan replaced the 2012 Omnibus Equity Incentive Plan ("2012 Plan") and no further awards may be granted under the 2012 Plan. The termination of the 2012 Plan did not affect outstanding awards granted under the 2012 Plan. The restricted stock units granted under the 2012 Plan vest over four or five years from the date of grant. The options granted under the 2012 Plan expire 10 years after the grant date and were fully vested as of December 25, 2022.

## Nonqualified Deferred Compensation

The Company provides a certain group of eligible employees, including our named executive officers, the ability to participate in the Company's nonqualified deferred compensation plan. This plan allows participants to defer up to 80% of their salary and up to 100% of their short-term incentive program payout and any discretionary bonuses, thereby delaying taxation of these deferred amounts until actual payment of the deferred amount in future years. This plan also provides for Company discretionary matching contributions. Our current matching contributions match the discretionary contributions made under our 401(k) Plan and vest ratably over three years starting on the first day of the participant's service with the Company, such that an eligible employee with three years of service will be 100% vested in our matching contributions. At the participant's election, payments can be deferred until a specific date at least 12 months after the year of deferral or until termination of employment (subject to earlier payment in the event of a change of control) and can be paid in a lump sum or in up to five annual installments.

The amounts deferred are credited to accounts that mirror the gains and/or losses of several different investment alternatives offered by the plan. Even though we are not required to fund this plan, we have established a "Rabbi Trust" to invest funds equal to all deferred amounts. The funds are generally invested in certain insurance policies designed for this purpose. These assets, although not required by the plan, are segregated to pay benefits to the participants. In the event of bankruptcy or liquidation, these assets will be subject to forfeiture.

The following table shows the contributions, earnings and account balances for the named executive officers under the nonqualified deferred compensation plan for fiscal year ended December 25, 2022:

NAME	EXECUTIVE CONTRIBUTIONS IN LAST FISCAL YEAR \$(1)	COMPANY CONTRIBUTIONS IN LAST FISCAL YEAR \$(2)	AGGREGATE EARNINGS/ (LOSS) IN LAST FISCAL YEAR (\$)	AGGREGATE WITHDRAWALS/ DISTRIBUTIONS (\$)	AGGREGATE BALANCE AT YEAR-END \$(3)

John Mountford	202,243	8,054	(24,274)	—	344,035

### Potential Payments upon Termination or Change in Control

The table below quantifies potential compensation that would have become payable to each of our named executive officers under their employment agreements if their employment had terminated on December 25, 2022 for the reasons set forth in the table, given the named executive officer's base salary on that date and the closing price of our common stock on December 23, 2022, the last trading day of fiscal year 2022. For additional information regarding the circumstances in which our named executive officers would be entitled to severance and change in control benefits, see "—Employment Agreements."

Due to the number of factors that may affect the amount of any benefits provided upon the events described below, any actual amounts paid or payable may be different than those shown in this table. Factors that could affect these amounts include the date the termination event occurs, the base salary of an executive on the date of termination of employment and the price of our common stock when the event occurs.

## Pay versus Performance

In accordance with Item 402(v) of SEC Regulation S-K, we are providing the following information about the relationship between compensation actually paid (“CAP”) to our CEO and Non-CEO named executive officers (“NEOs”) and certain aspects of our financial performance. This disclosure has been prepared in accordance with Item 402(v) and does not necessarily reflect value actually realized by our NEOs or how our Compensation Committee evaluates compensation decisions in light of Company or individual performance.

### Pay versus Performance Table

The following table summarizes additional compensation information for our NEOs, as calculated in accordance with SEC rules, and certain Company and peer group performance information for the periods indicated:

- (6) Peer group consists of BJ's Restaurants, Inc., Bloomin' Brands, Inc., Brinker International, Inc., Cracker Barrel Old Country Store, Inc., Denny's Corporation, Red Robin Gourmet Burgers, Inc. and Ruth's Hospitality Group, Inc.
- (7) Our Prior Peer group consists of BJ's Restaurants, Inc., Bloomin' Brands, Inc., Brinker International, Inc., Red Robin Gourmet Burgers, Inc., The Cheesecake Factory Incorporated and Texas Roadhouse, Inc. We changed the composition of our peer group because we believe a peer group that includes companies with comparable market capitalizations provides a better comparison to the Company's performance. As a result, we removed The Cheesecake Factory Incorporated and Texas Roadhouse, Inc. from our peer group and added Cracker Barrel Old Country Store, Inc., Denny's Corporation and Ruth's Hospitality Group, Inc. which have comparable market capitalizations and are in the casual dining segment of the restaurant industry.
- (8) Adjusted EBITDA is the Company's selected financial performance measure. Adjusted EBITDA is a non-GAAP financial measure and is calculated as net income (loss) plus adjustments for tax expense, interest (income) expense, depreciation expense, impairment, closure and other costs, gain on insurance settlements and stock-based compensation for the fiscal years shown above.

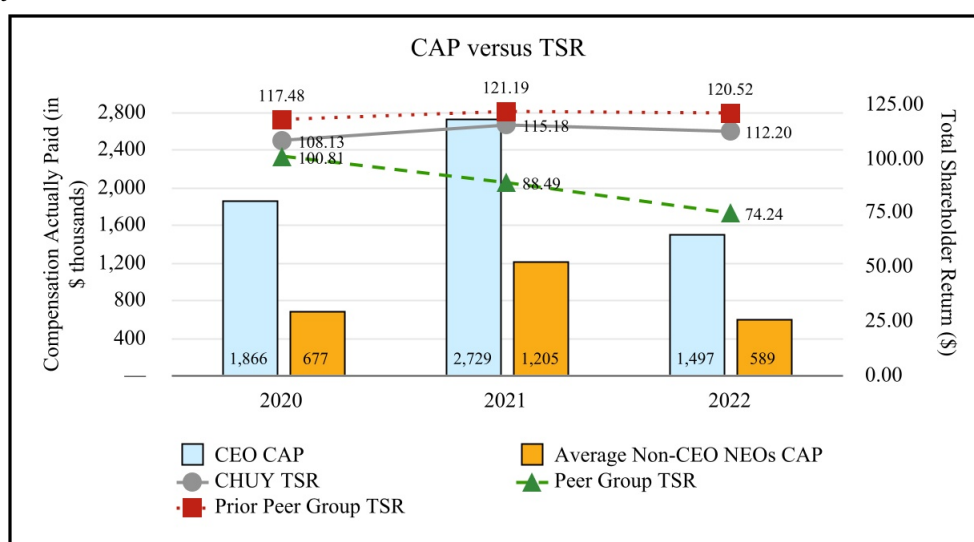

The following lists the financial performance measure that we used to link compensation actually paid to our named executive officers in 2022 to our performance:

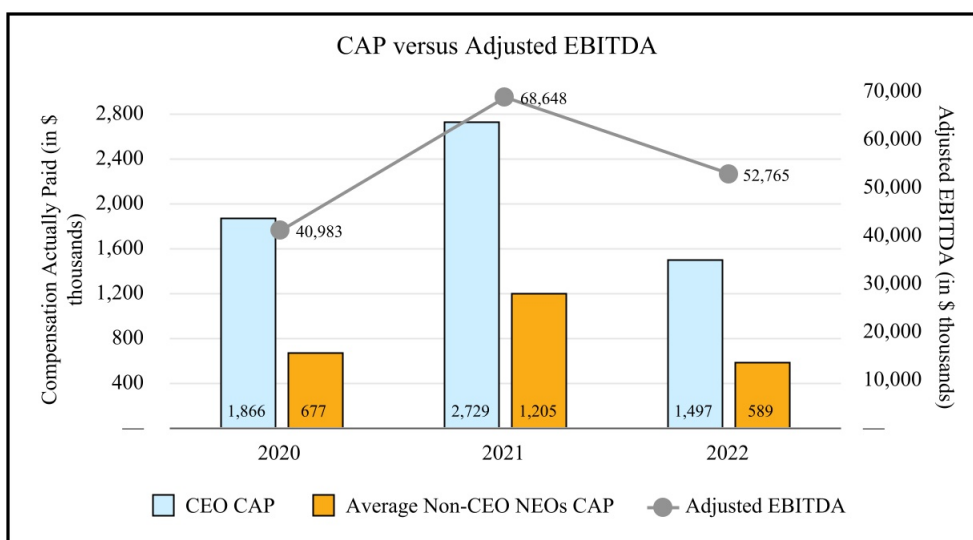

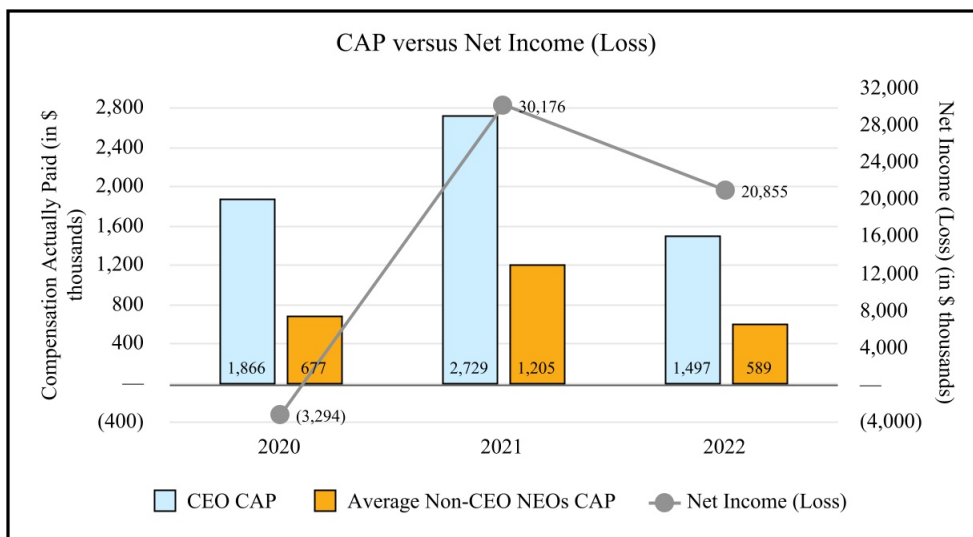

#### Adjusted EBITDA

We used Adjusted EBITDA for determining payouts under our short-term incentive program. Please see the Compensation Discussion and Analysis for a further description of this metric and how it is used in our executive compensation program.

#### Relationship between Compensation Actually Paid and Performance Measures

The charts below reflect the relationship between the Compensation Actually Paid to our CEO and the Average Compensation Actually Paid to the Non-CEO NEOs in fiscal year 2020, 2021 and 2022 to each of (1) the cumulative TSR of the Company, our Peer Group and our Prior Peer Group, (2) net income (loss) and (3) Adjusted EBITDA.

### CEO Pay Ratio

Pursuant to Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, the Company is required to provide the ratio of Mr. Hislop's annual total compensation to the compensation of our median employee. Because SEC rules for identifying the median employee and calculating the pay ratio permit companies to use various methodologies and assumptions, apply certain exclusions, and make reasonable estimates that reflect their employee populations and compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio that the Company has reported below.

To identify the median employee, we utilized total gross wages (including reported tips) of all of our full-time and part-time employees who were employed by the Company on the last day of the fiscal year or December 25, 2022, other than Mr. Hislop. We redetermined our median employee because the population used in this calculation mainly consists of hourly employees and changes frequently. We used the last day of our fiscal year to make the determination. However, because our fiscal year end changes each year, this determination date is different from last year. We excluded from total gross wages certain unusual and non-recurring items not available to all employees, such as stock based compensation, to achieve a consistently applied compensation measure. We also annualized the compensation of our employees who were not employed by the Company for all of fiscal year 2022.

Our median employee was identified as a line cook who worked an average of 23 hours per week. This total compensation figure reflects employment on a part-time basis, and is not necessarily representative of the compensation of other restaurant employees or of our overall compensation practices.

Based on the above determination, our median employee's total annual compensation (calculated in accordance with Item 402(c)(2)(x) of Regulation S-K) was \$21,464. Our CEO's total annual compensation (calculated in accordance with Item 402(c)(2)(x) of Regulation S-K and as reported in the Summary Compensation Table) was \$1,634,927.

Based on the foregoing, Mr. Hislop's annual total compensation for fiscal year 2022 was approximately 76 times our median employee's annual total compensation. This ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K using the data and assumptions summarized above.

Our CEO pay ratio is not an element that the compensation committee considers in setting the compensation of our CEO, nor is our CEO's compensation a material element that management considers in making compensation decisions for non-officer employees.

1. **Purpose.** The purpose of the Plan is to provide employees of the Company and its Designated Companies with an opportunity to purchase Common Stock through accumulated Contributions. The Company intends for the Plan to qualify as an “employee stock purchase plan” under Section 423 of the Code and the provisions of the Plan will be construed so as to extend and limit Plan participation in a uniform and nondiscriminatory basis consistent with the requirements of Section 423 of the Code.

Where the period of leave exceeds three months and the individual's right to reemployment is not guaranteed either by statute or by contract, the employment relationship will be deemed to have terminated three months and one day following the commencement of such leave. Notwithstanding the foregoing, the Administrator, in its discretion, from time to time may, prior to an Enrollment Date for all options to be granted on such Enrollment Date in an Offering, determine (on a uniform and nondiscriminatory basis or as otherwise permitted by U.S. Treasury Regulation Section 1.423-2) that the definition of Eligible Employee will or will not, as applicable, include an individual if he

or she: (i) has not completed at least two years of service since his or her last hire date (or such lesser period of time as may be determined by the Administrator in its discretion), (ii) customarily works not more than 20 hours per week (or such lesser period of time as may be determined by the Administrator in its discretion), (iii) customarily works not more than five months per calendar year (or such lesser period of time as may be determined by the Administrator in its discretion), (iv) is a highly compensated employee within the meaning of Section 414(q) of the Code, or (v) is a highly compensated employee within the meaning of Section 414(q) of the Code with compensation above a certain level or is an officer or subject to the disclosure requirements of Section 16(a) of the Exchange Act, provided the exclusion is applied with respect to each Offering in an identical manner to all highly compensated individuals of the Employer whose Eligible Employees are participating in that Offering. To the extent permitted by U.S. Treasury Regulation Section 1.423-2(a)(1), the terms of each Offering need not be identical provided that the terms of the Plan and an Offering together satisfy U.S. Treasury Regulation Section 1.423-2(a)(2) and (a)(3).
- x. “Offering Period” means a period beginning on such date as may be determined by the Administrator in its discretion and ending on such Exercise Date as may be determined by the Administrator in its discretion, in

- dd. “Purchase Price” means the price per Share of the Common Stock purchased under any option granted under the Plan as determined by the Administrator from time to time, in its discretion and on a uniform and nondiscriminatory basis for all options to be granted on an Enrollment Date. With respect to any option granted under this Plan, the initial Purchase Price shall not be less than the lesser of 85% of the Fair Market Value of a Share on (i) the Enrollment Date and (ii) the Exercise Date, or such other amount as may be required under Section 423 of the Code.

- a. Offering Periods. Any Eligible Employee on a given Enrollment Date will be eligible to participate in the Plan, subject to the requirements of Section 5.
- b. Non-U.S. Employees. Eligible Employees who are citizens or residents of a non-U.S. jurisdiction (without regard to whether they also are citizens or residents of the United States or resident aliens (within the meaning of Section 7701(b)(1)(A) of the Code)) may be excluded from participation in the Plan or an Offering if the participation of such Eligible Employees is prohibited under the laws of the applicable jurisdiction or if complying with the laws of the applicable jurisdiction would cause the Plan or an Offering to violate Section 423 of the Code.

- c. **Limitations.** Any provisions of the Plan to the contrary notwithstanding, no Eligible Employee will be granted an option under the Plan (i) to the extent that, immediately after the grant, such Eligible Employee (or any other person whose stock would be attributed to such Eligible Employee pursuant to Section 424(d) of the Code) would own capital stock of the Company or any Parent or Subsidiary of the Company and/or hold outstanding options to purchase such stock possessing 5% or more of the total combined voting power or value of all classes of the capital stock of the Company or of any Parent or Subsidiary of the Company, or (ii) to the extent that his or her rights to purchase stock under all employee stock purchase plans (as defined in Section 423 of the Code) of the Company or any Parent or Subsidiary of the Company accrues at a rate, which exceeds \$25,000 worth of stock (determined at the Fair Market Value of the stock at the time such option is granted) for each calendar year in which such option is outstanding at any time, as determined in accordance with Section 423 of the Code and the regulations thereunder.
4. **Offering Periods.** Offering Periods will expire on the earliest to occur of (i) the completion of the purchase of Shares on the last Exercise Date occurring within 27 months of the applicable Enrollment Date on which the option to purchase Shares was granted, or (ii) such shorter period as may be established by the Administrator from time to time, in its discretion and on a uniform and nondiscriminatory basis, prior to an Enrollment Date for all options to be granted on such Enrollment Date.
5. **Participation.** An Eligible Employee may participate in the Plan by (i) submitting to the Company's stock administration office (or its designee) a properly completed subscription agreement authorizing Contributions in the form provided by the Administrator for such purpose or (ii) following an electronic or other enrollment procedure determined by the Administrator, in either case on or before a date determined by the Administrator prior to an applicable Enrollment Date.
6. **Contributions.**
- a. At the time a Participant enrolls in the Plan pursuant to Section 5, he or she will elect to have Contributions (in the form of payroll deductions or otherwise, to the extent permitted by the Administrator) made on each pay day during the Offering Period in an amount that will be subject to such limits as the Administrator may establish from time to time, in its discretion and on a uniform and nondiscriminatory basis, for all options to be granted on any Enrollment Date. The Administrator, in its sole discretion, may permit all Participants in a specified Offering to contribute amounts to the Plan through payment by cash, check or other means set forth in the subscription agreement prior to each Exercise Date of each Purchase Period. A Participant's subscription agreement will remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.
  - b. In the event Contributions are made in the form of payroll deductions, such payroll deductions for a Participant will commence on the first pay day following the Enrollment Date and will end on the last pay day on or prior to the last Exercise Date of such Offering Period to which such authorization is applicable, unless sooner terminated by the Participant as provided in Section 10 hereof.
  - c. All Contributions made for a Participant will be credited to his or her account under the Plan and Contributions will be made in whole percentages of his or her Compensation only. A Participant may not make any additional payments into such account.
  - d. A Participant may discontinue his or her participation in the Plan as provided under Section 10. Except as may be permitted by the Administrator, as determined in its sole discretion, a Participant may not change the rate of his or her Contributions during an Offering Period.
  - e. Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(c), a Participant's Contributions may be decreased to 0% at any time during a Purchase Period. Subject to Section 423(b)(8) of the Code and Section 3(c) hereof, Contributions will recommence at the rate

originally elected by the Participant effective as of the beginning of the first Purchase Period scheduled to end in the following calendar year, unless terminated by the Participant as provided in Section 10.

- f. Notwithstanding any provisions to the contrary in the Plan, the Administrator may allow Participants to participate in the Plan via cash contributions instead of payroll deductions if (i) payroll deductions are not permitted under applicable local law, or (ii) the Administrator determines that cash contributions are permissible under Section 423 of the Code.
  - g. At the time the option is exercised, in whole or in part, or at the time some or all of the Common Stock issued under the Plan is disposed of (or any other time that a taxable event related to the Plan occurs), the Participant must make adequate provision for the Company's or Employer's federal, state, local or any other tax liability payable to any authority including taxes imposed by jurisdictions outside of the U.S., national insurance, social security or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock (or any other time that a taxable event related to the Plan occurs). At any time, the Company or the Employer may, but will not be obligated to, withhold from the Participant's Compensation the amount necessary for the Company or the Employer to meet applicable withholding obligations, including any withholding required to make available to the Company or the Employer any tax deductions or benefits attributable to sale or early disposition of Common Stock by the Eligible Employee. In addition, the Company or the Employer may, but will not be obligated to, withhold from the proceeds of the sale of Common Stock or any other method of withholding the Company or the Employer deems appropriate to the extent permitted by U.S. Treasury Regulation Section 1.423-2(f).
7. **Grant of Option.** On the Enrollment Date of each Offering Period, each Eligible Employee participating in such Offering Period will be granted an option to purchase on each Exercise Date during such Offering Period (at the applicable Purchase Price) up to a number of Shares of Common Stock determined by dividing such Eligible Employee's Contributions accumulated prior to such Exercise Date and retained in the Eligible Employee's account as of the Exercise Date by the applicable Purchase Price; provided that in no event will an Eligible Employee be permitted to purchase during each Purchase Period more than a maximum number of Shares of Common Stock determined by the Administrator prior to the first Offering Period, if any (with such number subject to any adjustment pursuant to Section 19) and provided further that such purchase will be subject to the limitations set forth in Sections 3(c) and 13. The Eligible Employee may accept the grant of such option by electing to participate in the Plan in accordance with the requirements of Section 5. The Administrator may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of Shares of Common Stock that an Eligible Employee may purchase during each Purchase Period. Exercise of the option will occur as provided in Section 8, unless the Participant has withdrawn pursuant to Section 10. The option will expire on the last day of the Offering Period.
8. **Exercise of Option.**
- a. Unless a Participant withdraws from the Plan as provided in Section 10, his or her option for the purchase of Shares of Common Stock will be exercised automatically on each Exercise Date, and the maximum number of full Shares subject to the option will be purchased for such Participant at the applicable Purchase Price with the accumulated Contributions from his or her account. No fractional Shares of Common Stock will be purchased; any Contributions accumulated in a Participant's account that are not sufficient to purchase a full Share will be retained in the Participant's account for the subsequent Purchase Period or Offering Period, subject to earlier withdrawal by the Participant as provided in Section 10. Any other funds left over in a Participant's account after the Exercise Date will be returned to the Participant. During a Participant's lifetime, a Participant's option to purchase Shares hereunder is exercisable only by him or her.
  - b. If the Administrator determines that, on a given Exercise Date, the number of Shares of Common Stock with respect to which options are to be exercised may exceed (i) the number of Shares of Common Stock that were available for sale under the Plan on the Enrollment Date of the applicable Offering Period, or (ii)

the number of Shares of Common Stock available for sale under the Plan on such Exercise Date, the Administrator may in its sole discretion (x) provide that the Company will make a pro rata allocation of the Shares of Common Stock available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as will be practicable and as it will determine in its sole discretion to be equitable among all Participants exercising options to purchase Common Stock on such Exercise Date, and continue all Offering Periods then in effect or (y) provide that the Company will make a pro rata allocation of the Shares of Common Stock available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as will be practicable and as it will determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Exercise Date, and terminate any or all Offering Periods then in effect pursuant to Section 20. The Company may make a pro rata allocation of the Shares available on the Enrollment Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional Shares for issuance under the Plan by the Company's stockholders subsequent to such Enrollment Date.

9. **Delivery.** As soon as reasonably practicable after each Exercise Date on which a purchase of Shares of Common Stock occurs, the Company will arrange the delivery to each Participant of the Shares purchased upon exercise of his or her option in a form determined by the Administrator (in its sole discretion) and pursuant to rules established by the Administrator. The Company may permit or require that Shares be deposited directly with a broker designated by the Company or to a designated agent of the Company, and the Company may utilize electronic or automated methods of Share transfer. The Company may require that Shares be retained with such broker or agent for a designated period of time and/or may establish other procedures to permit tracking of disqualifying dispositions of such Shares. No Participant will have any voting, dividend, or other stockholder rights with respect to Shares of Common Stock subject to any option granted under the Plan until such Shares have been purchased and delivered to the Participant as provided in this Section 9.

10. **Withdrawal.**

- a. A Participant may withdraw all but not less than all the Contributions credited to his or her account and not yet used to exercise his or her option under the Plan at any time, subject to any limitations imposed by the Administrator and/or by Company policies, by (i) submitting to the Company's stock administration office (or its designee) a written notice of withdrawal in the form determined by the Administrator for such purpose, or (ii) following an electronic or other withdrawal procedure determined by the Administrator. All of the Participant's Contributions credited to his or her account will be paid to such Participant after receipt of notice of withdrawal as soon as practicable, subject to any terms and conditions as the Administrator may in its discretion impose, and such Participant's option for the Offering Period will be automatically terminated, and no further Contributions for the purchase of Shares will be made for such Offering Period. If a Participant withdraws from an Offering Period, Contributions will not resume at the beginning of the succeeding Offering Period, unless the Participant re-enrolls in the Plan in accordance with the provisions of Section 5.
- b. A Participant's withdrawal from an Offering Period will not have any effect on his or her eligibility to participate in any similar plan that may hereafter be adopted by the Company or in succeeding Offering Periods that commence after the termination of the Offering Period from which the Participant withdraws.

11. **Termination of Employment.** Upon a Participant's ceasing to be an Eligible Employee for any reason, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to such Participant's account during the Offering Period but not yet used to purchase Shares of Common Stock under the Plan will be returned to such Participant or, in the case of his or her death, to the person or persons entitled thereto under Section 15, and such Participant's option will be automatically terminated. Unless otherwise provided by the Administrator, a Participant whose employment transfers between entities through a termination with an immediate rehire (with no break in service) by the Company or a Designated Company will not be treated as terminated under the Plan.

12. **Interest.** No interest will accrue on the Contributions of a participant in the Plan, except as may be required by Applicable Law, as determined by the Company, and if so required by the laws of a particular jurisdiction, except to the extent otherwise permitted by U.S. Treasury Regulation Section 1.423-2(f).
13. **Stock.**
- a. Subject to adjustment upon changes in capitalization of the Company as provided in Section 19 hereof, the maximum number of Shares of Common Stock that will be made available for sale under the Plan will be 500,000 Shares of Common Stock.
  - b. Shares issued under the Plan may, in whole or in part, be authorized but unissued Shares or Shares that shall have been or may be reacquired by the Company in the open market, in private transactions or otherwise.
  - c. Until the Shares of Common Stock are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), a Participant will have only the rights of an unsecured creditor with respect to such Shares, and no right to vote or receive dividends or any other rights as a stockholder will exist with respect to such Shares.
  - d. Shares of Common Stock to be delivered to a Participant under the Plan will be registered in the name of the Participant or in the name of the Participant and his or her spouse, as the Participant may elect.
14. **Administration.** The Plan will be administered by the Board or a Committee appointed by the Board, which Committee will be constituted to comply with Applicable Laws. The Administrator will have full and exclusive discretionary authority to: (i) construe, interpret and apply the terms of the Plan, (ii) delegate ministerial duties to any of the Company's employees, (iii) supply omissions or correct defects in the Plan, (iv) designate separate Offerings under the Plan, (v) designate Subsidiaries of the Company as participating in the Plan, (vi) determine eligibility, (vii) adjudicate all disputed claims filed under the Plan and (viii) establish such procedures that it deems necessary for the administration of the Plan (including, without limitation, to adopt such procedures and sub-plans as are necessary or appropriate to permit the participation in the Plan by employees who are foreign nationals or employed outside the U.S., the terms of which sub-plans may take precedence over other provisions of this Plan, with the exception of Section 13(a) hereof, but unless otherwise superseded by the terms of such sub-plan, the provisions of this Plan will govern the operation of such sub-plan). Without limiting the generality of the foregoing, the Administrator is specifically authorized to adopt rules and procedures regarding eligibility to participate, the definition of Compensation, handling of Contributions, making of Contributions to the Plan (including, without limitation, in forms other than payroll deductions), establishment of bank or trust accounts to hold Contributions, payment of interest, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of stock certificates that vary with applicable local requirements. The Administrator also is authorized to determine that, to the extent permitted by U.S. Treasury Regulation Section 1.423-2(f), the terms of an option granted under the Plan or an Offering to citizens or residents of a non-U.S. jurisdiction will be less favorable than the terms of options granted under the Plan or the same Offering to employees residing solely in the U.S. Every finding, decision, and determination made by the Administrator will, to the full extent permitted by law, be final and binding upon all parties.
15. **Designation of Beneficiary.**
- a. If permitted by the Administrator, a Participant may file a designation of a beneficiary who is to receive any Shares of Common Stock and cash, if any, from the Participant's account under the Plan in the event of such Participant's death subsequent to an Exercise Date on which the option is exercised but prior to delivery to such Participant of such Shares and cash. In addition, if permitted by the Administrator, a Participant may file a designation of a beneficiary who is to receive any cash from the Participant's account under the Plan in the event of such Participant's death prior to exercise of the option. If a Participant is

married and the designated beneficiary is not the spouse, spousal consent will be required for such designation to be effective.

- b. Such designation of beneficiary may be changed by the Participant at any time by notice in a form determined by the Administrator. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company will deliver such Shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.
  - c. All beneficiary designations will be in such form and manner as the Administrator may designate from time to time. Notwithstanding Sections 15(a) and (b) above, the Company and/or the Administrator may decide not to permit such designations by Participants in non-U.S. jurisdictions to the extent permitted by U.S. Treasury Regulation Section 1.423-2(f).
16. **Transferability.** Neither Contributions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive Shares of Common Stock under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 15 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition will be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.
17. **Use of Funds.** The Company may use all Contributions received or held by it under the Plan for any corporate purpose, and the Company will not be obligated to segregate such Contributions. Until Shares of Common Stock are issued, Participants will have only the rights of an unsecured creditor with respect to such Contributions and such Shares.
18. **Reports.** Individual accounts will be maintained for each Participant in the Plan. Statements of account will be given to participating Eligible Employees at least annually, which statements will set forth the amounts of Contributions, the Purchase Price, the number of Shares of Common Stock purchased and the remaining cash balance, if any.
19. **Adjustments, Dissolution, Liquidation, Merger, or Change in Control.**
- a. Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Company, or other change in the corporate structure of the Company affecting the Common Stock occurs, the Administrator, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, will, in such manner as it may deem equitable, adjust the number and class of Common Stock that may be delivered under the Plan, the Purchase Price per share and the number of shares of Common Stock covered by each option under the Plan that has not yet been exercised, and the numerical limits of Sections 7 and 13.
  - b. Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, any Offering Period then in progress will be shortened by setting a New Exercise Date, and will terminate immediately prior to the consummation of such proposed dissolution or liquidation, unless provided otherwise by the Administrator. The New Exercise Date will be before the date of the Company's proposed dissolution or liquidation. The Administrator will notify each Participant in writing or electronically, prior to the New Exercise Date, that the Exercise Date for the Participant's option has been changed to the New Exercise Date and that the Participant's option will be exercised automatically on the New Exercise Date,

unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 10 hereof.

- c. Change in Control. In the event of a Change in Control, each outstanding option will be assumed or an equivalent option substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation fails to assume or substitute for the option, the Offering Period with respect to which such option relates will be shortened by setting a New Exercise Date on which such Offering Period will end. The New Exercise Date will occur before the date of the Company's proposed merger or Change in Control. The Administrator will notify each Participant in writing or electronically prior to the New Exercise Date that the Exercise Date for the Participant's option has been changed to the New Exercise Date and that the Participant's option will be exercised automatically on the New Exercise Date, unless prior to such date, the Participant has withdrawn from the Offering Period as provided in Section 10 hereof.

## **20. Amendment or Termination.**

- a. The Administrator, in its sole discretion, may amend, suspend, or terminate the Plan, or any part thereof, at any time and for any reason. If the Plan is terminated, the Administrator, in its discretion, may elect to terminate all outstanding Offering Periods either immediately or upon completion of the purchase of Shares of Common Stock on the next Exercise Date (which may be sooner than originally scheduled, if determined by the Administrator in its discretion), or may elect to permit Offering Periods to expire in accordance with their terms (and subject to any adjustment pursuant to Section 19). If the Offering Periods are terminated prior to expiration, all amounts then credited to Participants' accounts that have not been used to purchase Shares of Common Stock will be returned to the Participants (without interest thereon, except as otherwise required under Applicable Laws, as further set forth in Section 12 hereof) as soon as administratively practicable.
- b. Without stockholder consent and without limiting Section 20(a), the Administrator will be entitled to change the Offering Periods or Purchase Periods, designate separate Offerings, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit Contributions in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed Contribution elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with Contribution amounts, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable that are consistent with the Plan.
- c. In the event the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Administrator may, in its discretion and, to the extent necessary or desirable, modify, amend or terminate the Plan to reduce or eliminate such accounting consequence including, but not limited to:
  - i. amending the Plan to conform with the safe harbor definition under the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto), including with respect to an Offering Period underway at the time;
  - ii. altering the Purchase Price for any Offering Period or Purchase Period including an Offering Period or Purchase Period underway at the time of the change in Purchase Price;
  - iii. shortening any Offering Period or Purchase Period by setting a New Exercise Date, including an Offering Period or Purchase Period underway at the time of the Administrator action;
  - iv. reducing the maximum percentage of Compensation a Participant may elect to set aside as Contributions; and

- v. reducing the maximum number of Shares of Common Stock a Participant may purchase during any Offering Period or Purchase Period.

Such modifications or amendments will not require stockholder approval or the consent of any Participants.

21. **Notices.** All notices or other communications by a Participant to the Company under or in connection with the Plan will be deemed to have been duly given when received in the form and manner specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.
22. **Conditions Upon Issuance of Shares.** Shares of Common Stock will not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such Shares pursuant thereto will comply with all applicable provisions of law, domestic or foreign, including, without limitation, the U.S. Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the Shares may then be listed, and will be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.
23. **Section 409A of the Code.** The Plan is exempt from the application of Section 409A of the Code and any ambiguities herein will be interpreted to so be exempt from Section 409A of the Code. In furtherance of the foregoing and notwithstanding any provision in the Plan to the contrary, if the Administrator determines that an option granted under the Plan may be subject to Section 409A of the Code or that any provision in the Plan would cause an option under the Plan to be subject to Code Section 409A, the Administrator may amend the terms of the Plan and/or of an outstanding option granted under the Plan, or take such other action the Administrator determines is necessary or appropriate, in each case, without the Participant's consent, to exempt any outstanding option or future option that may be granted under the Plan from or to allow any such options to comply with Section 409A of the Code, but only to the extent any such amendments or action by the Administrator would not violate Code Section 409A. Notwithstanding the foregoing, the Company will have no liability to a Participant or any other party if any option to purchase Common Stock under the Plan that is intended to be exempt from or compliant with Section 409A of the Code is not so exempt or compliant or for any action taken by the Administrator with respect thereto. The Company makes no representation that any option to purchase Common Stock under the Plan is compliant with Section 409A of the Code.
24. **Term of Plan.** The Plan will become effective upon approval by the stockholders. It will continue in effect for a term of 10 years, unless sooner terminated under Section 20.
25. **Stockholder Approval.** The Plan will be subject to approval by the stockholders of the Company within 12 months after the date the Plan is adopted by the Board. Such stockholder approval will be obtained in the manner and to the degree required under Applicable Laws.
26. **Governing Law.** The Plan will be governed by, and construed in accordance with, the laws of the State of Delaware (except its choice-of-law provisions).
27. **No Right to Employment.** Participation in the Plan by a Participant will not be construed as giving a Participant the right to be retained as an employee of the Company or a Subsidiary or Affiliate of the Company, as applicable. Further, the Company or a Subsidiary or Affiliate of the Company may dismiss a Participant from employment at any time, free from any liability or any claim under the Plan.
28. **Severability.** If any provision of the Plan is or becomes or is deemed to be invalid, illegal, or unenforceable for any reason in any jurisdiction or as to any Participant, such invalidity, illegality or unenforceability will not

affect the remaining parts of the Plan, and the Plan will be construed and enforced as to such jurisdiction or Participant as if the invalid, illegal or unenforceable provision had not been included.

29. **Compliance with Applicable Laws.** The terms of this Plan are intended to comply with all Applicable Laws and will be construed accordingly.

**Proposed Amendment to the Company's Certificate of Incorporation to Eliminate Personal Liability of Officers for Monetary Damages for Breach of Fiduciary Duty as an Officer**

The proposed amendment would add the following to the Certificate of Incorporation as a new Section 2 of Article VIII:

Section 2: Elimination of Monetary Liability for Officers. No officer of the Company shall be personally liable to the Company or its stockholders for monetary damages for any breach of fiduciary duty as an officer. Notwithstanding the foregoing sentence, an officer shall be liable to the extent provided by applicable law: (A) for any breach of the officer's duty of loyalty to the Company or its stockholders, (B) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (C) for any transaction from which such officer derived an improper personal benefit, or (D) in any action by or in the right of the Company. Solely for purposes of this Section 2 of Article VIII, "officer" shall have the meaning provided in Section 102(b)(7) of the DGCL as currently in effect and as it may hereafter be amended.

Any repeal or modification of the foregoing provisions of this Section 2 of Article VIII by the stockholders of the Company shall not adversely affect any right or protection of an officer of the Company existing at the time of such repeal or modification.

**Proposed Amendment to the Company's Bylaws to Designate an Exclusive Forum for Certain Litigation**

The proposed amendment would add the following to the Bylaws as a new Bylaw 41:

41. Exclusive Forum For Certain Litigation. Unless the Company consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (or, if and only if the Court of Chancery of the State of Delaware lacks subject matter jurisdiction, any state court located within the State of Delaware or, if and only if all such state courts lack subject matter jurisdiction, the federal district court for the District of Delaware) shall be the sole and exclusive forum for the following types of actions or proceedings under Delaware statutory or common law: (a) any derivative action or proceeding brought on behalf of the Company; (b) any action asserting a breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company's stockholders; (c) any action asserting a claim against the Company or any director or officer or other employee of the Company arising pursuant to any provision of the DGCL, the Company's Amended and Restated Certificate of Incorporation or these Bylaws; (d) any action or proceeding to interpret, apply, enforce or determine the validity of the Company's Amended and Restated Certificate of Incorporation or these Bylaws (including any right, obligation, or remedy thereunder); (e) any action or proceeding as to which the DGCL confers jurisdiction to the Court of Chancery of the State of Delaware; or (f) any action asserting a claim against the Company or any director or officer or other employee of the Company that is governed by the internal affairs doctrine, in all cases to the fullest extent permitted by law and subject to the court's having personal jurisdiction over the indispensable parties named as defendants. This Bylaw 41 shall not apply to suits brought to enforce a duty or liability created by the Exchange Act or any other claim for which the federal courts have exclusive jurisdiction.

Unless the Company consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, subject to and contingent upon a final adjudication in the State of Delaware of the enforceability of such exclusive forum provision.

Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Company shall be deemed to have notice of and to have consented to the provisions of this Bylaw 41.
