PROXY STATEMENT

This proxy statement provides information in connection with the solicitation of proxies by the board of directors of Chuy's Holdings, Inc. (the "Company") for use at the Company's 2024 Annual Meeting of Stockholders or any postponement or adjournment thereof (the "Annual Meeting") to be held on Thursday, August 1, 2024, beginning at 9:00 a.m., Central time, at the Chuy's headquarters located at 1623 Toomey Rd., Austin, TX 78704. This proxy statement also provides information you will need in order to consider and act upon the matters specified in the accompanying notice of Annual Meeting. A Notice of Internet Availability of Proxy Materials (the "Notice") and this proxy statement and proxy card, are being mailed to stockholders beginning on or about June 14, 2024.

Record holders of the Company's common stock as of the close of business on June 4, 2024 are entitled to vote at the Annual Meeting. Each record holder of common stock on that date is entitled to one vote at the Annual Meeting for each share of common stock held. As of June 4, 2024, there were 17,230,284 shares of common stock outstanding.

You cannot vote your shares unless you are present at the Annual Meeting or you have previously given your proxy. You can vote by proxy in one of three ways:

- by internet: visit the website shown on your Notice or proxy card and follow the instructions; or
- by telephone: dial the toll-free number shown on your proxy card and follow the instructions; or
- in writing: sign, date, and return a proxy card in the provided pre-addressed, postage-paid envelope.

You may revoke your proxy at any time prior to the vote at the Annual Meeting by:

- delivering a written notice revoking your proxy to the Company's Secretary at the address above;
- delivering a new proxy bearing a date after the date of the proxy being revoked; or
- voting in person at the Annual Meeting.

Unless revoked as described above, all properly executed proxies, will be voted at the Annual Meeting in accordance with your directions on the proxy. If a properly executed proxy gives no specific instructions, the shares of common stock represented by your proxy will be voted:

- FOR the election of the two nominees to serve as directors until the 2027 Annual Meeting of Stockholders;
- FOR the approval of the compensation of our named executive officers;
- FOR "1 YEAR" as the frequency in which the Company will hold future non-binding, advisory votes on the compensation of our named executive officers;
- FOR the approval of an amendment to the Company's Certificate of Incorporation to declassify the board of directors;
- FOR the ratification of the appointment of RSM US LLP as the Company's independent registered public accounting firm for 2024; and
- at the discretion of the proxy holders with regard to any other matter that is properly presented at the Annual Meeting.

If you own shares of common stock held in “street name” and you do not instruct your broker how to vote your shares using the instructions your broker provides you, your shares will be voted in the ratification of the appointment of RSM US LLP as the Company’s independent registered public accounting firm for 2024, but not for any other proposal. To be sure your shares are voted in the manner you desire, you should instruct your broker how to vote your shares.

Holders of a majority of the outstanding shares of the Company’s common stock must be present, either in person or by proxy, to constitute a quorum necessary to conduct the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining a quorum and are considered present and entitled to vote.

The following table sets forth the voting requirements, whether broker discretionary voting is allowed and the treatment of abstentions and broker non-votes for each of the matters to be voted on at the Annual Meeting.

Proposal	Vote Necessary to Approve Proposal	Broker Discretionary Voting Allowed?	Treatment of Abstentions and Broker Non-Votes
No. 1 - Election of directors	Plurality (that is, the largest number) of the votes cast (1)	No	Abstentions and broker non-votes are not considered votes cast and will have no effect on the matter
No. 2 - Advisory vote on the compensation of our named executive officers, as disclosed in this proxy statement	Affirmative vote of the majority of the votes of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the matter	No	Abstentions will have the effect of a vote cast against the matter Broker non-votes are not considered entitled to vote on the matter and will have no effect on the matter
No. 3 - Advisory vote on the frequency in which the Company will hold future non-binding, advisory votes on the compensation of our named executive officers	Affirmative vote of the majority of the votes of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the matter (2)	No	Abstentions will have the effect of a vote cast against the matter Broker non-votes are not considered entitled to vote on the matter and will have no effect on the matter
No. 4 - Approval of an amendment to the Company’s Certificate of Incorporation to declassify the board of directors	Affirmative vote of 66-2/3% of the outstanding shares of our common stock	No	Abstentions and broker non-votes will have the effect of a vote cast against the matter
No. 5 - Ratification of the appointment of RSM US LLP	Affirmative vote of the majority of the votes of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the matter	Yes	Abstentions will have the effect of a vote cast against the matter

(1) Stockholders may vote “FOR” or “WITHHOLD” in the election of directors. Because directors need only be elected by a plurality vote, withhold votes will not effect whether any particular nominee has received sufficient votes to be elected.

(2) If no frequency receives the requisite vote, we will consider the option that receives the highest number of votes cast to be the frequency recommended by stockholders.

Attendance at the Annual Meeting will be limited to stockholders of record and beneficial owners who provide proof of beneficial ownership as of the record date (such as an account statement, a copy of the voting instruction card provided by a broker, bank, trustee, or nominee, or other similar evidence of ownership).

The Company pays the costs of soliciting proxies. We have engaged Georgeson LLC to serve as our proxy solicitor for the Annual Meeting at a base fee of \$9,500 plus reimbursement of reasonable expenses. Georgeson will provide advice relating to the content of solicitation materials, solicit banks, brokers, institutional investors, and hedge funds to determine voting instructions, monitor voting, and deliver executed proxies to our voting tabulator. Our employees also may solicit proxies by telephone or in person. However, they will not receive additional compensation for soliciting proxies. The Company may request banks, brokers, and other custodians, nominees, and fiduciaries to forward copies of these proxy materials to the beneficial holders and to request instructions for the execution of proxies. The Company may reimburse these persons for their related expenses. Proxies are solicited to provide all record holders of the Company's common stock an opportunity to vote on the matters to be presented at the Annual Meeting, even if they cannot attend the meeting in person.

**Proposal 1 –
Election of Directors**

At the Annual Meeting, two directors will be elected to serve three-year terms expiring at our Annual Meeting of Stockholders in 2027. This section contains information relating to the two director nominees and the directors whose terms of office continue after the Annual Meeting. A non-management director initially recommended that the nominating and corporate governance committee consider Ms. Freda-Smith as a potential director candidate. The nominees for election are Mr. DeWitt and Ms. Freda-Smith. All currently serve as directors.

The board of directors recommends a vote “FOR” the election of each of the nominees.

**Proposal 2 –
Advisory Vote to Approve the Compensation of our Named Executive Officers**

Pursuant to Section 14A of the Securities Exchange Act of 1934 (the “Exchange Act”), we are submitting the compensation of our named executive officers as disclosed in this proxy statement to our stockholders for an advisory vote.

As described below under the heading “Executive Compensation,” we seek to provide compensation to each named executive officer that is designed to attract, motivate and retain our executive officers. Our compensation program is designed to reward both individual and company performance, while aligning the financial interests of each named executive officer with the interests of our stockholders. The compensation committee sets compensation for each named executive officer at a level it believes is appropriate considering each named executive officer’s annual review, level of responsibility, awards and compensation paid in the past year and progress toward or attainment of previously set personal and corporate goals and objectives.

The vote on this proposal is not intended to address any specific element of compensation. Rather, the vote relates to the overall compensation of our named executive officers, as described under the heading “Executive Compensation” in this proxy statement. We are asking our stockholders to approve the following advisory resolution at our Annual Meeting:

“RESOLVED, that the compensation of the Company’s named executive officers, as disclosed pursuant to the rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.”

The vote is advisory and is not binding on the Company, our board of directors or the compensation committee. However, the compensation committee expects to consider the outcome of this advisory vote in evaluating whether any actions are appropriate with respect to our compensation program for our executive officers. At our 2018 annual meeting of stockholders, a majority of our stockholders voted in favor of holding advisory votes on the compensation of our named executive officers on an annual basis. In light of this vote, our board of directors determined to hold such advisory votes annually. Assuming our stockholders again vote for holding advisory votes on the compensation of our named executive officers on an annual basis, the next advisory vote following this year’s vote will be held at the 2025 annual meeting of stockholders.

The board of directors recommends a vote “FOR” the approval of the compensation of our named executive officers.

Proposal 3 –

Advisory Vote on the Frequency in Which the Company Will Hold Future Non-Binding, Advisory Votes on Executive Compensation

Pursuant to Section 14A of the Exchange Act, we are submitting the frequency of future non-binding, advisory votes on the compensation of our named executive officers to an advisory vote of our stockholders. In voting on this proposal, stockholders may indicate whether they would prefer that we conduct future non-binding, advisory votes on executive compensation every one year, every two years, or every three years. Stockholders also may, if they wish, abstain from voting on this proposal.

Our board of directors has determined that a non-binding, advisory vote each year on executive compensation is the most appropriate approach for the Company and its stockholders. In making its recommendation, our board of directors considered that an annual non-binding, advisory vote on executive compensation allows our stockholders to provide us with timely and direct input on our compensation policies, programs and practices.

Our board of directors recommends that you vote for an annual non-binding, advisory vote on executive compensation. This vote is advisory and not binding on the Company or our board of directors. However, our board of directors intends to evaluate the voting results on this proposal in determining how frequently the Company will submit non-binding, advisory votes on executive compensation to our stockholders.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining). Stockholders are not voting to approve or disapprove the recommendation of the board of directors.

The board of directors recommends a vote for “1 YEAR” as the frequency in which the Company will hold future non-binding, advisory votes on executive compensation.

**Proposal 4 –
Approval of an Amendment to the Company's Certificate of Incorporation to Declassify the Board of Directors**

Our Amended and Restated Certificate of Incorporation, as amended (the “Certificate of Incorporation”), currently provides that the members of our board of directors are divided into three classes, with staggered three-year terms of office. Under our Certificate of Incorporation, one class of directors is elected at each annual meeting of stockholders, and a director’s term of office generally continues until the third annual meeting of stockholders following his or her election and until his or her successor is elected and qualified.

The nominating and corporate governance committee and our board of directors have considered the advantages and disadvantages of both a classified and declassified board structure. While the nominating and corporate governance committee and our board of directors both believe that a classified board provides stability and continuity in pursuing our strategies, as well as protection against hostile takeover tactics, the nominating and corporate governance committee and our board of directors have concluded, after taking into account the growing sentiment of stockholders in favor of the annual election of all directors, and evolving corporate governance practices, that our classified board structure should be eliminated over a three-year period.

Accordingly, upon the recommendation of the nominating and corporate governance committee, the board of directors has approved an amendment to our Certificate of Incorporation that would eliminate, over a three-year period, the classified structure of our board and provide for the annual election of directors. If the proposed amendment is approved by our stockholders, Class III directors would serve a three-year term as provided by our current Certificate of Incorporation; Class I directors, whose term expires at the 2025 annual meeting, would be elected for a one-year term; and Class I and Class II directors, whose term expires at the 2026 annual meeting, would be elected for a one-year term. At the 2027 annual meeting and thereafter, all directors would be elected for a one-year term and the classification of the board of directors would terminate. Before the 2027 annual meeting, directors elected to fill any vacancy on the board or to fill newly created director positions resulting from an increase in the number of directors would serve the remainder of the term of the Class of directors to which the director was elected. At or after the 2027 annual meeting, directors elected to fill any vacancy on the board or to fill newly created director positions resulting from an increase in the number of directors would hold office for a term expiring at the next annual meeting and until such director’s successor has been elected and qualified. Before the 2027 annual meeting, stockholders will continue to only be able to remove directors for cause by the affirmative vote of holders of at least 66-2/3% of the outstanding shares of the Company entitled to vote generally in the election of directors. After the declassified structure is fully phased-in, stockholders will be able to remove directors by the affirmative vote of holders of at least 66-2/3% of the outstanding shares of the Company entitled to vote generally in the election of directors.

The proposed amendment to our Certificate of Incorporation as described in this Proposal 4 is qualified in its entirety by reference to the marked copy of Article VII of the Certificate of Incorporation, attached as Appendix A to this Proxy Statement, which reflects the changes that will be made pursuant to the proposed amendment. For ease of reference, the marked copy of Article VII of the Certificate of Incorporation shows the deleted text through strikethrough format and the added text underlined. If the proposed amendment to our Certificate of Incorporation is approved, the board of directors will adopt conforming changes to our Bylaws (which do not require stockholder approval).

If the proposed amendment to our Certificate of Incorporation is not approved our classified board structure will remain in place.

The board of directors recommends a vote “FOR” the approval of an amendment to the Company’s Certificate of Incorporation to declassify the board of directors.

Proposal 5 -

Ratification of the Appointment of RSM US LLP as the Company’s Independent Registered Public Accounting Firm for 2024

The audit committee has appointed RSM US LLP as the Company’s independent registered public accounting firm for 2024. The board of directors is asking stockholders to ratify this appointment. Securities and Exchange Commission (“SEC”) regulations and the Nasdaq listing requirements require the Company’s independent registered public accounting firm to be engaged, retained and supervised by the audit committee. However, the board of directors considers the selection of an independent registered public accounting firm to be an important matter to stockholders. Accordingly, the board of directors considers a proposal for stockholders to ratify this appointment to be an opportunity for stockholders to provide input to the audit committee and the board of directors on a key corporate governance issue.

Representatives of RSM US LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement. They will also be available to respond to appropriate questions. For additional information regarding our independent registered public accounting firm, see “Independent Public Accountants.”

The board of directors recommends a vote “FOR” the ratification of RSM US LLP as the Company’s independent registered public accounting firm for 2024.

Director Independence

Our board of directors will review at least annually the independence of each director. During these reviews, the board will consider transactions and relationships between each director (and his or her immediate family and affiliates) and our Company and its management to determine whether any such transactions or relationships are inconsistent with a determination that the director is independent. This review will be based primarily on responses of the directors to questions in a directors' and officers' questionnaire regarding employment, business, family, compensation and other relationships with the Company and our management. Our board of directors has determined that each of Jody Bilney, Randall DeWitt, Nancy Freda-Smith, Saed Mohseni and Ira Zecher are, and Starlette Johnson before she retired was, independent within the meaning of the Nasdaq Marketplace Rules. As required by the Nasdaq Global Select Market, a majority of our directors are independent and our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Corporate Governance

We believe that good corporate governance is important to ensure that, as a public company, we will be managed for the long-term benefit of our stockholders. We and our board of directors have reviewed the corporate governance policies and practices of other public companies, as well as those suggested by various authorities in corporate governance. We have also considered the provisions of the Sarbanes-Oxley Act and the rules of the SEC and the Nasdaq Global Select Market.

Based on this review, we have established and adopted charters for the audit committee, compensation committee and nominating and corporate governance committee, and have adopted corporate governance guidelines, a code of business conduct and ethics applicable to all of our directors, officers and employees and an insider trading policy.

Our committee charters, code of business conduct and ethics and corporate governance guidelines are available on our website at www.chuys.com in the Investors section. Copies of these documents are also available upon written request to our Corporate Secretary. We will post information regarding any amendment to, or waiver from, our code of business conduct and ethics on our website in the Investors section.

Furthermore, our insider trading policy, which is reasonably designed to promote compliance with insider trading laws, rules and regulations (1) governs the purchase, sale and/or other disposition of the Company's securities by directors, officers and employees of the Company and (2) prohibits our directors and certain employees, including all of our executive officers, from engaging in hedging transactions with respect to our securities, including entering into options, warrants, puts, calls or similar instruments or selling our securities short, and pledging shares of our securities in margin accounts.

The board of directors periodically reviews its corporate governance policies and practices. Based on these reviews, the board of directors may adopt changes to policies and practices that are in our best interests and as appropriate to comply with any new SEC or Nasdaq Marketplace Rules.

Board Leadership Structure and Board's Role in Risk Oversight

Steve Hislop serves as chairman of our board of directors, President and Chief Executive Officer. We believe that the Company and its shareholders are best served by having Mr. Hislop serve in both positions because of his knowledge of the Company's operations, our unique culture and industry in which we are competing. This leadership structure strengthens the communication link between the operating organization and the board. It also fosters a collaborative environment that supports effective decision-making around key topics such as strategic objectives, long-term planning and enterprise risk management.

Since Mr. Hislop serves as chairman of the board in addition to his roles as President and Chief Executive Officer of the Company, the board determined it was appropriate to appoint a lead independent director, who would be elected annually. Mr. Mohseni was elected to serve as our lead independent director.

The role of our lead independent director is to, among other things, preside at executive sessions of independent directors, serve as a liaison between the independent directors and the chairman, approve board meeting agendas and the information sent to the board, approve meeting schedules to assure that there is sufficient time for discussion of all agenda items, call meetings of independent directors and, if requested by major shareholders, ensure that he or she is available for consultation and direct communication.

Risk is inherent with every business and we face a number of risks as outlined in Item 1A. "Risk Factors" included in our Annual Report. Management is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through our audit committee, is responsible for overseeing our management and operations, including overseeing its risk assessment and risk management functions. Our board of directors has delegated responsibility for reviewing our policies with respect to risk assessment and risk management to our audit committee through its charter. Our board of directors has determined that this oversight responsibility can be most efficiently performed by our audit committee as part of its overall responsibility for providing independent, objective oversight with respect to our accounting and financial reporting functions, internal and external audit functions and systems of internal controls over financial reporting and legal, ethical and regulatory compliance. Our board of directors has also delegated the oversight of risks related to cybersecurity to our audit committee and risks related to environmental, social and governance matters to our nominating and corporate governance committee. Our audit and nominating and corporate governance committees will regularly report to our board of directors with respect to their oversight of these areas.

Board Meetings

The board of directors held five meetings during 2023. Each director serving on the board of directors in 2023 attended at least 75% of the total number of meetings of the board of directors and committees on which they served. Under our corporate governance guidelines, each director is expected to devote the time necessary to appropriately discharge his or her responsibilities and to rigorously prepare for, attend and participate in all board of directors meetings and meetings of committees on which he or she serves.

Annual Meetings of Stockholders

The Company's directors are encouraged to attend our Annual Meeting of stockholders, but we do not currently have a policy relating to directors' attendance at these meetings. Each director serving on the board of directors in 2023 attended our 2023 Annual Meeting of Stockholders.

Board Committees

The compensation committee has the sole authority to retain and terminate compensation consultants to assist in the evaluation of director or executive officer compensation and the sole authority to approve the fees and other retention terms of such compensation consultants. The compensation committee may also retain independent counsel and other independent advisors to assist it in carrying out its responsibilities. The compensation committee may also, in its discretion, delegate specific duties and responsibilities to a subcommittee or an individual committee member, to the extent permitted by applicable law.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is a standing committee of our board of directors. The nominating and corporate governance committee met four times in 2023. Our board of directors has adopted a written charter under which the nominating and corporate governance committee operates. A copy of the charter, which satisfies the applicable standards of the SEC and the Nasdaq Global Select Market, is available on our website at www.chuys.com. The functions of our nominating and corporate governance committee include:

- identifying individuals qualified to serve as members of our board of directors;
- recommending to our board nominees for our annual meetings of stockholders;
- evaluating our board's performance;
- developing and recommending to our board corporate governance guidelines;
- providing oversight with respect to corporate governance;
- overseeing succession planning; and
- overseeing the Company's strategy, initiatives, risks, opportunities and reporting on material environmental, social and governance matters.

Our nominating and corporate governance committee consists of Jody Bilney, Randall DeWitt and Ira Zecher, with Jody Bilney serving as chair of the committee. All members of our nominating and corporate governance committee are independent as defined by the Nasdaq Marketplace rules.

The nominating and corporate governance committee has the sole authority to retain and terminate any search firm to assist in the identification of director candidates and the sole authority to set the fees and other retention terms of such search firms. The committee may also retain independent counsel and other independent advisors to assist it in carrying out its responsibilities.

Other Committees

Our board of directors may establish other committees as it deems necessary or appropriate from time to time.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2023, Mr. Mohseni, Mr. DeWitt, Mr. Zecher and Ms. Johnson served as members of the compensation committee. No member of the compensation committee (1) was, during fiscal year 2023, or had previously been, an officer or employee of the Company or (2) had any material interest in a transaction with the Company or a business relationship with, or any indebtedness to, the Company. None of our executive officers have served as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or compensation committee.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer, and persons performing similar functions ("covered persons"). A copy of the code is posted on our website, which is located at www.chuys.com. A copy of this document is available without charge upon written request to our Corporate Secretary at 1623 Toomey Rd., Austin, Texas 78704, Attn: Corporate Secretary. Any amendments to or waivers from a provision of our code of conduct and ethics that applies to our covered persons and that relates to the elements of Item 406(b) of Regulation S-K will be disclosed on our website promptly following the date of such amendment or waiver.

Qualifications for Director Nominees

The nominating and corporate governance committee is responsible for reviewing with the board of directors, at least annually, the appropriate skills and experience required for members of the board of directors. This assessment includes factors such as judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate’s experience with the experience of other board members, and the extent to which the candidate would be a desirable addition to the board of directors and any committees of the board of directors. The nominating and corporate governance committee will identify nominees based upon recommendations by committee members, other board members, members of management, search firms or by stockholders. Upon identifying a potential nominee, members of the nominating and corporate governance committee and other members of the board of directors will interview the candidate, and based upon that interview, make a recommendation to our board of directors.

Board Diversity

The nominating and corporate governance committee considers diversity as part of its overall selection strategy. The nominating and corporate governance committee considers diversity in its broadest sense, including diversity in professional and life experiences, education, skills, perspectives and leadership, as well as other individual qualities and attributes that contribute to board heterogeneity, such as race, ethnicity, sexual orientation, gender and national origin. Importantly, the nominating and corporate governance committee focuses on how the experiences and skill sets of each director nominee complements those of fellow directors and director nominees to create a balanced board with diverse viewpoints and deep expertise. The Company believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Company's goal of creating a board that best serves our needs and those of our stockholders. Our board is committed to diversity and as such includes directors with gender and ethnic diversity and a diverse set of backgrounds, experience, and skills.

Delinquent Section 16(a) Reports

Based solely on a review of the forms filed electronically with the SEC and the written representations received from the directors and executive officers, the Company believes that all reports required to be filed during the year ended December 31, 2023 or prior fiscal years by Section 16(a) were filed on a timely basis except for one Form 4 that reported one disposition that was not reported on a timely basis for Mr. Zecher.

Executive Compensation

Compensation Discussion and Analysis

This compensation discussion and analysis provides an overview of our executive compensation program, together with a description of the material factors underlying the decisions that resulted in the compensation provided to our Chief Executive Officer and Chief Financial Officer and our three other highest paid executive officers during fiscal year 2023 (collectively, the “named executive officers”). This compensation discussion and analysis contains statements regarding our performance targets and goals. These targets and goals are disclosed in the limited context of our compensation program and should not be understood to be statements of management’s expectations or estimates of financial results or other guidance. We specifically caution investors not to apply these statements to other contexts.

Objective of Compensation Policy

The objective of our compensation policy is to provide a total compensation package to each named executive officer that will enable us to:

- attract, motivate and retain outstanding individuals;
- reward named executive officers for performance; and
- align the financial interests of each named executive officer with the interests of our stockholders to encourage each named executive officer to contribute to our long-term performance and success.

Overall, our compensation program is designed to reward both individual and company performance. A significant portion of each of our named executive officers’ annual compensation is comprised of performance-based compensation. We also intend to continue to use long-term incentive awards to reward long-term company and individual performance and to promote retention through delayed vesting of awards.

Administration

Our compensation committee, which is comprised exclusively of independent directors, oversees our executive compensation program and is responsible for approving or recommending to the board the nature and amount of the compensation paid to, and any employment and related agreements entered into with, our named executive officers. The committee also administers our equity compensation plans and awards.

Process for Setting Total Compensation

At the first meeting of each new fiscal year, our compensation committee sets annual base salaries, determines the payout for the Company's short-term incentive program and the amount of any discretionary bonuses for the prior year, sets performance criteria for our short-term incentive program for the following year and determines the amount of equity based incentive compensation to grant to our named executive officers. In making these compensation decisions, our compensation committee considers the recommendations of our Chief Executive Officer, particularly with respect to salary adjustments, short-term incentive program targets and awards, amount of discretionary bonuses and equity incentive awards of our other named executive officers. Our compensation committee meets with our Chief Executive Officer at least annually to discuss and review his recommendations for compensation of our executive officers, excluding himself. When making individual compensation decisions for our named executive officers, the compensation committee takes many factors into account, including the officer’s experience, responsibilities, management abilities and job performance, our performance as a whole, current market conditions and competitive pay levels for similar positions at comparable companies. These factors are considered by the compensation committee in a subjective manner without any specific formula or weighting.

During its annual review process, our compensation committee has set compensation for each named executive officer at a level it believes is appropriate considering each named executive officer’s annual review, level of

responsibility, the awards and compensation paid to the named executive officer in past years and progress toward or attainment of previously set personal and corporate goals and objectives, including attainment of financial performance goals and such other factors as the compensation committee has deemed appropriate and in our best interests and the best interests of our stockholders. The compensation committee has given different weight at different times to different factors for each named executive officer. Our performance criteria are discussed more fully below under the heading “—Short-Term Incentive Program.” Other than with respect to our short-term incentive program, the compensation committee has not relied on predetermined formulas or a limited set of criteria when it evaluates the performance of our named executive officers.

The charter of the compensation committee authorizes the committee to engage independent consultants at the expense of the Company. The compensation committee retained Mercer as its independent compensation consultant for 2022. Mercer reported directly to the compensation committee and performs no other work for the Company. The compensation committee assessed the independence of Mercer and concluded that its work did not raise any conflict of interest with the Company. Mercer was engaged to:

- Advise the compensation committee on named executive officer and director pay decisions;
- Assist in short-term and long-term incentive plan design;
- Conduct compensation reviews and make recommendations regarding both executive and director pay structures;
- Advise on peer group composition and conduct a review of peer group compensation;
- Provide periodic updates on current trends, technical and regulatory developments and best practices in compensation design; and
- Perform any other tasks which the compensation committee may request from time to time.

In 2022, Mercer compared the base salary, target short-term incentive program payout and target annual cash compensation of our then-current named executive officers against a peer group of ten publicly traded restaurant companies (the “Mercer Report”). The peer group consisted of the following companies:

Red Robin Gourmet Burgers	Dave & Buster’s Entertainment	BJ’s Restaurants
Fiesta Restaurant Group	Ark Restaurants	Ruth’s Hospitality Group
Cracker Barrel	Shake Shack	Wingstop
Texas Roadhouse		

The Committee in conjunction with Mercer selected companies for its peer group based on industry, revenue and market capitalization. Mercer used Company and peer group compensation data from 2020 in its review. The compensation committee used the Mercer Report in (1) assessing the level of base salary and target short-term incentive program payouts to be paid to our then-current named executive officers and (2) approving changes to the compensation levels of our then-current named executive officers. The results of the Mercer Report, which as noted above were based on 2020 compensation data, indicated that the Company’s 2020 compensation for each of our then-current named executive officers was below the market median for base salary and target short-term incentive program payouts.

2023 Advisory Vote on Executive Compensation

At our annual meeting of stockholders in July 2023, approximately 97% of the votes cast in the advisory vote on executive compensation were in support of our executive compensation program. The compensation committee considered the results of this advisory vote and believes the results affirm stockholder approval of the board of directors’ approach to the Company’s executive compensation program. Although the compensation committee did not adopt any changes to our program as a result of this vote, as noted above the compensation committee evaluates our executive compensation program annually.

Elements of Compensation

Our compensation program for named executive officers consists of the following elements of compensation, each described in greater depth below:

- Base salaries.
- Short-Term Incentive Program.
- Discretionary bonuses.
- Equity-based incentive compensation.
- Perquisites.
- General benefits.
- Employment agreements.

Clawback Provisions

On October 26, 2023, the board of directors adopted a Clawback Policy (the “Clawback Policy”) in order to comply with Section 10D of the Exchange Act, Rule 10D-1 of the Exchange Act and the listing standards adopted by the Nasdaq Stock Market. The Clawback Policy provides for the mandatory recovery of erroneously awarded incentive-based compensation from current and former executive officers (as defined in the Clawback Policy) of the Company in the event that the Company is required to prepare an accounting restatement.

Additionally, we currently have employment agreements in place with each of our named executive officers. See “Employment Agreements” for additional information regarding our executive officer’s employment agreements. These employment agreements contain clawback provisions, which provide for the recovery of any incentive-based compensation or other compensation paid to the executive officer as required by law, government regulation or stock exchange listing requirement.

Additionally, our equity award agreements contain clawback provisions, which provide for the forfeiture of outstanding unvested or unexercised awards and the return of the fair market value of vested or exercised awards in the event of (a) wrongdoing that contributed to any material misstatement in or omission from any report or statement filed by the Company with SEC, (b) intentional or gross misconduct, (c) a breach of a fiduciary duty to the Company or (d) fraud.

Hedging and Pledging Policy

The Company's insider trading policy prohibits our directors and certain employees, including all of our executive officers, from engaging in hedging transactions with respect to our securities, including entering into options, warrants, puts, calls or similar instruments or selling our securities short, and pledging shares of our securities in margin accounts.

Base Salary

NAME	2023 SALARY (\$)
Steve Hislop	745,498
Jon Howie	467,944
John Korman ⁽¹⁾	227,096
John Mountford	296,642
Michael Hatcher	257,369

(1) On October 26, 2023, the Board appointed John Korman as the Company’s Chief Operating Officer.

We pay base salaries to attract, recruit and retain qualified employees. Our compensation committee reviews and sets base salaries of our named executive officers annually. These salary levels are and will continue to be set initially based on the named executive officer's experience and performance with previous employers and negotiations with individual named executive officers. The compensation committee may increase base salaries each year based on its subjective assessment of our company's and the individual executive officer's performance and each named executive officer's experience, length of service and changes in responsibilities. The weight given to such factors by the compensation committee may vary from one named executive officer to another.

Short-Term Incentive Program

NAME	SHORT-TERM INCENTIVE PROGRAM			
	THRESHOLD AWARD (\$)	TARGET AWARD (\$)	MAXIMUM AWARD (\$)	ACTUAL AWARD (\$)
Steve Hislop	—	372,749	745,498	745,498
Jon Howie	—	233,972	467,944	467,944
John Korman ⁽¹⁾	—	68,551	137,102	137,102
John Mountford	—	148,321	296,642	296,642
Michael Hatcher	—	77,211	154,422	154,422

(1) On October 26, 2023, the Board appointed John Korman as the Company's Chief Operating Officer.

In line with our strategy of rewarding performance, our executive compensation program includes a short-term incentive program that our named executive officers participate in. Awards under our short-term incentive program are made under our Senior Management Incentive Plan. Our compensation committee establishes annual target payouts for each named executive officer during the first quarter of the year based on the Company's target adjusted EBITDA.

The target and maximum award amounts have been set at levels our compensation committee believes will provide a meaningful incentive to achieve company and individual goals and contribute to our financial performance. In 2023, the target and maximum award amounts were set at 50% and 100%, respectively, of annual base salary for Mr. Hislop, Mr. Howie and Mr. Mountford and 30% and 60%, respectively, of annual base salary for Mr. Korman and Mr. Hatcher. There is no payout if actual Company Adjusted EBITDA is 90% or less of budget Company Adjusted EBITDA. To the extent that actual Company Adjusted EBITDA exceeds 90% of budget Company Adjusted EBITDA, the plan provides that we will make payments based on where performance falls on a linear basis between 90% and 100% of budget Company Adjusted EBITDA and between 100% and 110% of budget Company Adjusted EBITDA. In each circumstance, the compensation committee retains discretion to adjust the amount paid under the plan based on individual and company circumstances. If our budget Company Adjusted EBITDA is achieved, each individual will earn 100% of their target award.

The short-term incentive program payment is determined based primarily on the extent to which we achieve our budget Company Adjusted EBITDA goal. Company Adjusted EBITDA is our earnings before interest, taxes, depreciation and amortization and excludes stock-based compensation, closed restaurant and impairment costs and certain non-cash and other adjustments. For each 1.0% that actual Company Adjusted EBITDA is above or below budget Company Adjusted EBITDA, the percentage of the target they receive will increase or decrease by 10%, respectively, of the Company Adjusted EBITDA portion of their target award. For example, if actual Company Adjusted EBITDA is 1% above budget Company Adjusted EBITDA, the named executive officers will receive 1.1 times their target award. The maximum a named executive officer may receive for Company Adjusted EBITDA performance is 2.0 times their target award. We use our Company Adjusted EBITDA, together with financial measures prepared in accordance with GAAP, such as revenue, net income and cash flows from operations, to assess our historical and prospective operating performance and to enhance our understanding of our core operating performance. We also use our Company Adjusted EBITDA internally to evaluate the performance of our personnel and also as a benchmark to evaluate our operating performance or compare our performance to that of our

competitors. The use of Company Adjusted EBITDA as a performance measure permits a comparative assessment of our operating performance relative to our performance based on our GAAP results, while isolating the effects of some items that vary from period to period without any correlation to core operating performance or that vary widely among similar companies.

Target, maximum and actual short-term incentive payouts for 2023 for each of the named executive officers are shown in the table above and the actual payouts are shown in the “Non-Equity Incentive Plan Compensation” column of the Summary Compensation Table.

Discretionary Bonus

The compensation committee retains discretion to grant bonus compensation to the named executive officers and other employees of the Company for their contributions to the Company’s performance. Historically, each of our named executive officers has received a \$1,000 holiday bonus each December. These bonuses are set forth in the “Bonus” column of the Summary Compensation Table.

Equity Compensation

We pay equity-based compensation to our named executive officers because it links our long-term results achieved for our stockholders and the rewards provided to named executive officers, thereby ensuring that such officers have a continuing stake in our long-term success.

Historically, we have granted restricted stock units and stock options to our named executive officers in conjunction with significant transactions and in connection with a named executive officer’s initial hire or promotion. Additionally, we have granted restricted stock units to our named executive officers annually to further align the interests of our executives with those of our stockholders. For information regarding the number and grant date fair value of restricted stock units granted to our named executive officers during fiscal year 2023, see “—Grants of Plan Based Awards” below.

We provide equity compensation to reward performance as well as to promote retention through delayed vesting. However, we believe that by weighting total compensation in favor of performance-based compensation, we have appropriately rewarded individual achievement while at the same time providing incentives to promote Company performance and at times have rewarded extraordinary achievements and dedication with discretionary bonuses. The 2020 Plan provides for the issuance of restricted stock units, stock options, share appreciation rights, restricted shares, performance shares and other share based awards. In the future, we may consider granting other forms of equity to our named executive officers. For additional information regarding our 2020 Plan, see below under the heading “—2020 Omnibus Incentive Plan.”

We also make grants of equity awards to our named executive officers and other employees because we believe that we should provide our employees an opportunity to share in our success provided they continue to contribute to our success.

Restricted stock units held by each of the named executive officers (and certain of our other salaried employees) vest ratably over a period of four years, subject to the employee remaining employed through each vesting date.

Severance and Change-in-Control Benefits

We currently have employment agreements with each of our named executive officers that provide severance and change in control benefits. We agreed to pay severance benefits in the event of an executive’s termination by us without cause or by the executive for good reason as a retention incentive. We believe this level of severance benefit provides our executives with the assurance of security if their employment is terminated for reasons beyond their control. Additionally, in the event a named executive officer’s employment is terminated due to death, disability or without cause or for good reason on or within 24 months of a change in control, the named executive officer’s unvested equity awards will vest immediately. For additional information on the severance and change in control benefits provided under the employment agreements with our executive officers see “—Employment Agreements.”

The amount each named executive would be entitled to receive in the event of a termination is reported below under the heading “—Potential Payments upon Termination or Change in Control.”

Perquisites

In 2023, the aggregate incremental cost to us of the perquisites received by each of the named executive officers did not exceed \$10,000 and, accordingly, this benefit is not included in the Summary Compensation Table below. We provide the named executive officers with complimentary dining privileges at our restaurants. We view complimentary dining privileges as a meaningful benefit to our named executive officers as it is important for named executive officers to experience our products and services in order to better perform their duties for us.

General Benefits

We provide a limited number of personal benefits to our named executive officers. Our named executive officers participate in our health and benefit plans, and are entitled to vacation and paid time off based on our general vacation policies.

Retirement Benefits. We maintain a tax-qualified 401(k) savings plan (“401(k) Plan”) and a nonqualified deferred compensation plan. Under the 401(k) Plan, employees are eligible after one year of service and may defer up to the maximum amount allowable by the IRS. The Company also provides a certain group of eligible employees, including our named executive officers, the ability to participate in the Company's nonqualified deferred compensation plan. This plan allows participants to defer up to 80% of their salary and up to 100% of their short-term incentive program payout and discretionary bonuses, on a pre-tax basis. The Company has discretion to make additional matching contributions to both plans. For more information on the nonqualified deferred compensation plan, see “Nonqualified Deferred Compensation” below.

Medical, Dental, Life Insurance and Disability Coverage. Active employee benefits such as medical, dental, life insurance and disability coverage are available to all eligible employees, including our named executive officers.

Moving Costs. We will reimburse out-of-pocket moving expenses for eligible executive officers in conjunction with their hiring.

Other Paid Time Off Benefits. We also provide vacation and other paid holidays to all employees, including the named executive officers, which we believe are appropriate for a company of our size and in our industry.

Employment Agreements

We have entered into employment agreements with each of Messrs. Hislop, Howie, Korman, Mountford and Hatcher. The employment agreements do not have a fixed term.

The employment agreements provide that Messrs. Hislop, Howie, Korman, Mountford and Hatcher initially would receive an annual base salary of at least \$649,750, \$400,000, \$245,426, \$207,500 and \$220,000, respectively. Messrs. Hislop, Howie and Mountford (for 2023) are each eligible pursuant to their employment agreements to receive a target annual short-term incentive program payout of 50% of their annual base salary, based upon the achievement of performance objectives determined by our compensation committee with a minimum and maximum payout of 0% and 100% of their annual base salary. Mr. Korman (for 2023) and Hatcher are each eligible pursuant to his employment agreement to receive a target annual payout of 30% of their annual base salary, based upon the achievement of performance objectives determined by our compensation committee with a minimum and maximum payout of 0% and 60% of their annual base salary. Additionally, Messrs. Hislop, Howie, Korman, Mountford and Hatcher are eligible pursuant to their employment agreements to receive a targeted annual equity award equal to 50% of their base salary, as determined and authorized from time to time by the compensation committee and subject to the terms and conditions of the Company's equity incentive plan and any award agreements governing the grant of equity awards. The employment agreements also provide that each executive will be eligible to participate in our employee plans, including any health, disability or group life insurance plans or any retirement or non-

qualified deferred compensation plans that are generally made available to our other senior executives and will be entitled to four weeks paid vacation per calendar year to be taken in accordance with our vacation policy.

Each employment agreement provides for severance benefits if the executive's employment is terminated without cause (as defined in the employment agreements) or by the executive for good reason (as defined in the employment agreements), subject to the executive's compliance with certain assignment of invention, confidentiality, non-compete, non-solicitation and non-disparagement obligations and the execution of a general release of claims. In the event Mr. Hislop's employment is terminated without cause or by him for good reason, he is entitled to continue to receive his base salary for two years following the termination of his employment and an amount equal to his target short-term incentive program payout for the year his employment was terminated. In the event the employment of Messrs. Howie, Korman, Mountford and Hatcher is terminated without cause or by the executive for good reason, each is entitled to continue to receive one year's base salary following his termination and an amount equal to his target short-term incentive program payout for the year his employment was terminated. Additionally, in the event the employment of Messrs. Hislop, Howie, Korman, Mountford and Hatcher is terminated without cause or by the executive for good reason, each is entitled to continue to receive the amount that we were subsidizing for the executive and his or her dependents' medical and dental insurance coverage during the same period the executive is entitled to continue to receive his base salary after his termination.

The employment agreements also provide that if (1) the employment of Messrs. Hislop, Howie, Korman, Mountford or Hatcher is terminated on account of the executive's death or disability (as defined in the employment agreements) or (2) the executive's employment is terminated without cause or by the executive for good reason, in each case, on or during the 24 month period after a change in control (as defined in the 2020 Plan), subject to the executive's compliance with certain assignment of invention, confidentiality, non-compete, non-solicitation and non-disparagement obligations and the execution of a general release of claims, then any unvested or unexercisable portion of any award granted to the executive under the Company's equity incentive plans shall become fully vested or exercisable.

The amount each named executive would be entitled to receive in the event of a termination is reported below under the heading "—Potential Payments upon Termination or Change in Control."

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code (the "Code") generally limits the tax deductibility of compensation we pay to our executive officers to \$1.0 million in the year the compensation becomes taxable to the executive officers. Although our compensation committee considers deductibility in setting the compensation of our executive officers, our compensation committee maintains flexibility in how we compensate our executive officers so as to meet a broader set of corporate and strategic goals and the needs of stockholders, and as such, we may be limited in our ability to deduct the full amount of such compensation.

Accounting rules require us to expense the cost of our stock option and restricted stock unit awards. Because of option and restricted stock unit expensing and the impact of dilution on our stockholders, we pay close attention to, among other factors, the type of equity awards we grant and the number and value of the shares underlying such awards.

2020 Omnibus Incentive Plan

The 2020 Plan was approved by the Company's stockholders at our 2020 annual meeting of stockholders on July 30, 2020. As of December 31, 2023, we had a total of 743,699 shares of common stock reserved and available for future issuance under the 2020 Plan.

The principal purposes of the 2020 Plan are to: (a) encourage profitability and growth of the Company through short-term and long-term incentives that are consistent with the Company's objectives; (b) to give participants an incentive for excellence in individual performance; (c) to promote teamwork among participants; and (d) to give the Company a significant advantage in attracting and retaining key employees, directors, and consultants. To accomplish such purposes, the 2020 Plan provides that the Company may grant options, stock appreciation rights, restricted shares, restricted stock units, performance-based awards (including performance-based restricted shares and restricted stock units), other share-based awards, other cash-based awards, or any combination of the foregoing. When considering new grants of share-based or option-based awards, we intend to take into account previous grants of such awards.

The 2020 Plan is administered by our compensation committee. The compensation committee has the power to determine the terms of the awards granted under the 2020 Plan, including the exercise price and the exercisability of the awards. The compensation committee also has full power to determine the persons to whom and the time or times at which awards will be made and to make all other determinations and take all other actions advisable for the administration of the 2020 Plan.

Each grant of an award under the 2020 Plan will be evidenced by an award agreement or agreements, which will contain such terms and provisions as the compensation committee may determine, consistent with the 2020 Plan. Those terms and provisions include the number of our shares of our common stock subject to each award, vesting terms and other provisions.

2012 Omnibus Equity Incentive Plan

The 2020 Plan replaced the 2012 Omnibus Equity Incentive Plan (“2012 Plan”) and no further awards may be granted under the 2012 Plan. The termination of the 2012 Plan did not affect outstanding awards granted under the 2012 Plan. The restricted stock units granted under the 2012 Plan vest over four or five years from the date of grant. The options granted under the 2012 Plan expire 10 years after the grant date and were fully vested as of December 31, 2023.

Nonqualified Deferred Compensation

The Company provides a certain group of eligible employees, including our named executive officers, the ability to participate in the Company's nonqualified deferred compensation plan. This plan allows participants to defer up to 80% of their salary and up to 100% of their short-term incentive program payout and any discretionary bonuses, thereby delaying taxation of these deferred amounts until actual payment of the deferred amount in future years. This plan also provides for Company discretionary matching contributions. Our current matching contributions match the discretionary contributions made under our 401(k) Plan and vest ratably over three years starting on the first day of the participant's service with the Company, such that an eligible employee with three years of service will be 100% vested in our matching contributions. At the participant's election, payments can be deferred until a specific date at least 12 months after the year of deferral or until termination of employment (subject to earlier payment in the event of a change of control) and can be paid in a lump sum or in up to five annual installments.

The amounts deferred are credited to accounts that mirror the gains and/or losses of several different investment alternatives offered by the plan. Even though we are not required to fund this plan, we have established a "Rabbi Trust" to invest funds equal to all deferred amounts. The funds are generally invested in certain insurance policies designed for this purpose. These assets, although not required by the plan, are segregated to pay benefits to the participants. In the event of bankruptcy or liquidation, these assets will be subject to forfeiture.

The following table shows the contributions, earnings and account balances for the named executive officers under the nonqualified deferred compensation plan for fiscal year ended December 31, 2023:

NAME	EXECUTIVE CONTRIBUTIONS IN LAST FISCAL YEAR \$(1)	COMPANY CONTRIBUTIONS IN LAST FISCAL YEAR \$(2)	AGGREGATE EARNINGS/(LOSS) IN LAST FISCAL YEAR (\$)	AGGREGATE WITHDRAWALS/DISTRIBUTIONS (\$)	AGGREGATE BALANCE AT YEAR-END \$(3)

(2) These amounts are reported as "all other" compensation earned by named executive officers in the "Summary Compensation Table" for fiscal year 2023.

(3) Amounts reported in this column include compensation that was previously reported in the Summary Compensation Table when earned if that officer's compensation was required to be disclosed in a previous year.

Potential Payments upon Termination or Change in Control

The table below quantifies potential compensation that would have become payable to each of our named executive officers under their employment agreements if their employment had terminated on December 31, 2023 for the reasons set forth in the table, given the named executive officer's base salary on that date and the closing price of our common stock on December 29, 2023, the last trading day of fiscal year 2023. For additional information regarding the circumstances in which our named executive officers would be entitled to severance and change in control benefits, see "—Employment Agreements."

Due to the number of factors that may affect the amount of any benefits provided upon the events described below, any actual amounts paid or payable may be different than those shown in this table. Factors that could affect these amounts include the date the termination event occurs, the base salary of an executive on the date of termination of employment and the price of our common stock when the event occurs.

This disclosure has been prepared in accordance with Item 402(v) and does not necessarily reflect value actually realized by our NEOs or how our Compensation Committee evaluates compensation decisions in light of Company or individual performance.

We removed Ruth's Hospitality Group, Inc. from our peer group as it was acquired by Darden Restaurants, Inc. in June 2023.

(7) Adjusted EBITDA is the Company's selected financial performance measure. Adjusted EBITDA is a non-GAAP financial measure and is calculated as net income (loss) plus adjustments for tax expense, interest (income) expense, depreciation expense, impairment, closure and other costs, gain on insurance settlements and stock-based compensation for the fiscal years shown above.

The following lists the financial performance measure that we used to link compensation actually paid to our named executive officers in 2023 to our performance:

Adjusted EBITDA

We used Adjusted EBITDA for determining payouts under our short-term incentive program. Please see the Compensation Discussion and Analysis for a further description of this metric and how it is used in our executive compensation program.

Relationship between Compensation Actually Paid and Performance Measures

The charts below reflect the relationship between the Compensation Actually Paid to our CEO and the Average Compensation Actually Paid to the Non-CEO NEOs in fiscal year 2020, 2021, 2022 and 2023 to each of (1) the cumulative TSR of the Company and our Peer Group, (2) net income (loss) and (3) Adjusted EBITDA.

CEO Pay Ratio

Pursuant to Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, the Company is required to provide the ratio of Mr. Hislop's annual total compensation to the compensation of our median employee. Because SEC rules for identifying the median employee and calculating the pay ratio permit companies to use various methodologies and assumptions, apply certain exclusions, and make reasonable estimates that reflect their employee populations and compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio that the Company has reported below.

To identify the median employee, we utilized total gross wages (including reported tips) of all of our full-time and part-time employees who were employed by the Company on the last day of the fiscal year or December 31, 2023, other than Mr. Hislop. We redetermined our median employee because the population used in this calculation mainly consists of hourly employees and changes frequently. We used the last day of our fiscal year to make the determination. However, because our fiscal year end changes each year, this determination date is different from last year. We excluded from total gross wages certain unusual and non-recurring items not available to all employees, such as stock based compensation, to achieve a consistently applied compensation measure. We also annualized the compensation of our employees who were not employed by the Company for all of fiscal year 2023.

Our median employee was identified as a busser who worked an average of 29 hours per week. This total compensation figure reflects employment on a part-time basis, and is not necessarily representative of the compensation of other restaurant employees or of our overall compensation practices.

Based on the above determination, our median employee's total annual compensation (calculated in accordance with Item 402(c)(2)(x) of Regulation S-K) was \$22,782. Our CEO's total annual compensation (calculated in accordance with Item 402(c)(2)(x) of Regulation S-K and as reported in the Summary Compensation Table) was \$2,068,041.

Based on the foregoing, Mr. Hislop's annual total compensation for fiscal year 2023 was approximately 90 times our median employee's annual total compensation. This ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K using the data and assumptions summarized above.

Our CEO pay ratio is not an element that the compensation committee considers in setting the compensation of our CEO, nor is our CEO's compensation a material element that management considers in making compensation decisions for non-officer employees.

- is otherwise prohibited by law, rule or regulation.

The audit committee reviews each such transaction, arrangement or relationship to determine whether a related party has, has had or expects to have a direct or indirect material interest. Following its review, the audit committee will take such action as it deems necessary and appropriate under the circumstances, including approving, disapproving, ratifying, canceling or recommending to management how to proceed if it determines a related party has a direct or indirect material interest in a transaction, arrangement or relationship with us. Any member of the audit committee who is a related party with respect to a transaction under review will not be permitted to participate in the discussions or evaluations of the transaction; however, the audit committee member will provide all material information concerning the transaction to the audit committee.
